
**DEPARTMENT
POLICY**

Applicants must complete and sign one of the following applications in order to apply for State Emergency Relief (SER):

- DHS-1514, Application for State Emergency Relief.
- MDHHS-1171, Assistance Application, and the MDHHS-1171-SER, State Emergency Relief (SER) supplemental form.
- A MI Bridges online application in which a SER service has been requested.

Applicants may file an application for SER in any county in Michigan. An application submitted through MI Bridges for a SER covered service is considered a complete application, no additional application is required. Incomplete applications may be filed, but must be completed before authorizing SER.

An MDHHS-1171, Assistance Application, is considered an application for SER if the client indicates they are applying for State Emergency Relief and the minimum information is provided, even if the MDHHS-1171-SER supplement has not been submitted. In instances where the MDHHS-1171-SER supplement is not received by the department, it should be requested from the client or completed during an interview. Any person has the right to apply for an SER. Authorized representatives may apply on behalf of a person who is deceased, physically or mentally disabled, or a minor. Obtain written permission from all other applicants designating an authorized representative outside the SER group.

Obtain all supporting verifications and applicant signatures. The signature(s) establishes that clients understand their rights and responsibilities and that they prepared the application(s) truthfully under penalty of perjury. Applications may be transferred between counties if it is in the best interest of the applicant. Both counties must mutually agree to the transfer.

**Burial
Applications**

An application for burial services must be made no later than 10 business days after the burial, cremation or donation takes place. Any person who has the legal right to claim the body may be the authorized representative; see ERM 306, Burials
