

## Short Essay

# My Favorite Season

My favorite season is spring. I love spring because it brings warm weather and sunshine after the cold winter. The days become longer, and the air feels fresh and clean. Spring is a time when nature wakes up. Flowers bloom, and trees grow new leaves, making everything look bright and beautiful. One of the things I enjoy most in spring is seeing colorful flowers everywhere. Tulips, daisies, and lilies brighten up gardens, parks, and fields. It's a wonderful sight! Spring is also perfect for outdoor activities. I love flying kites, riding my bike, and playing with my friends. The weather is just right—not too hot, not too cold.

During spring, birds return from their migration and sing lovely songs in the mornings. Their songs make me feel happy. I also look forward to family picnics in the park, where we can enjoy good food and play games together.

Overall, spring makes me feel excited and full of energy. I love the beauty of nature, the outdoor activities, and the joyful spirit of this season. It's truly my favorite season!
