First And Only A Psychological Thriller Peter Flannery:

First and Only Peter Flannery, 2012-04 WHAT PEOPLE ARE SAYING ABOUT FIRST AND ONLY I wasn't sure what to expect from the cover or the blurb but I couldn't put it down until I finished it LB A truly fantastic book you simply won't want nor be able to put it down until you have the answers Linda I found myself leaning further towards my laptop screen the further into the book I got Janieritson I didn't want to put it down but at the same time I really didn't want it to end Manchester Anne DESCRIPTION Do you believe in psychics What if there really was someone who could see into the future read people's thoughts and move things with their mind What kind of person would they be and how would they reveal themselves to the world Psimon is just such a man a real and genuine psychic But Psimon has a problem In five days time he is going to die at the hands of a serial killer known only as Lucifer His only hope is to enlist the services of former SAS soldier Steve Brennus a man whose family life and business have just collapsed in ruins Psimon knows he is going to die He has seen it But could a former SAS soldier have the strength to overcome the visions of the world's first psychic With a small cast of engaging characters blistering pace and a beautifully drawn villain FIRST AND ONLY is a great thriller and an impressive debut novel From the intensity of the first scene to the dramatic and satisfying climax the story pauses just enough for readers to catch their breath Do not take this book to bed if you fancy an early night You have been warned Theatre
