READING & SOCIAL STUDIES

READING STORY - ME ON THE MAP

This week's reading story introduces children to maps through the use of literature. By starting with the world directly around them, the children begin to think more abstractly as they move from their street to their community, state, country and continent. The children will discover that things next to each other in real life are next to each other on a map. They'll begin to develop an understanding that their homes are part of a larger world. Our geography focus will also include characteristics of maps and globes (i.e., compass rose, symbols, map key/legend).

NEW WORD WALL WORDS

Please add the following words to your child's first grade sight word baggie:

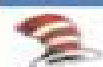

over, world, country,
Earth, special, town

Use the white flashcards for daily word wall practice to improve memorization of these words.

Math

Our current focus is the Common Core State Standards Domain: *Number & Operations in Base Ten*. The children are fine-tuning the skill of reading, writing and representing with objects, numbers to 120. They are further developing their understanding that the two digits of a two-digit number represent amounts of tens and ones. Last week, we worked on comparing two 2-digit numbers with the symbols for greater than, less than & equal. Focus skills this week include strategies for adding and subtracting multiples of 10 with two-digit numbers.
