

# FISSURE MONROE

A photograph of a dead animal, possibly a raccoon, hanging from a chain. The animal is positioned in the center-left of the frame, with its body and limbs visible. To the right, a large, dark, diagonal structure, likely a bridge or a large piece of machinery, extends from the top right towards the center. The background is a dramatic sky with soft, horizontal clouds, illuminated by a warm, golden light from the setting or rising sun. The overall mood is somber and evocative.
