

Getinge Infection Control is the world leading provider of solutions for sterile processing in the healthcare sector. We aim to ensure the highest quality and safety at the lowest total cost. We offer complete solutions for a seamless work-flow, reducing the risk of contamination while helping healthcare to increase efficiency.

The Getinge K-series is a range of fully automatic tabletop steam sterilizers for general dental, hospital and small clinic use. They have preset programs for the most common sterilization goods. Depending on the program selected, the mechanical air removal is either with gravity pulses or a series of vacuum pulses. The chamber dimensions are adapted to sterilization using trays, baskets or other accessories specially made for the chamber size.
