Hub Zwart,2023 This monograph studies opera as music drama guided by four ideas opera as an ambiance setting an acoustic stage where dramatic action becomes possible as a Gesamtkunstwerk incorporating other arts forms into a coherent whole as archaeology revivifying lost worlds of experience and as a dialectical syllogism resulting in the negation of a paralysing negation via a dramatic act We focus on Richard

Wagner as composer and author but also address other music dramas by Giacomo Puccini and John Adams adopting a Hegelian dialectical perspective but involving other dialectical thinkers e g Marx and Engels as well Tales of the Punjab Told by the People Flora Annie Webster Steel,1894 **Through Belgian Eyes** Helen MacEwan,2017-11-13 Charlotte Brontes years in Belgium 1842-43 had a huge influence both on her life and her work It was in Brussels that she not only honed her writing skills but fell in love and lived through the experiences that inspired two of her four novels her first *The Professor* and her last and in many ways most interesting *Villette* Her feelings about Belgium are known from her novels and letters her love for her tutor Heger her uncomplimentary remarks about Belgians the powerful effect on her imagination of living abroad But what about Belgian views of Charlotte Bronte What has her legacy been in Brussels How have Belgian commentators responded to her portrayal of their capital city and their society *Through Belgian Eyes* explores a wide range of responses from across the Channel from the hostile to the enthusiastic In the process it examines what *The Professor* and *Villette* tell Belgian readers about their capital in the 1840s and provides a wealth of detail on the Brussels background to the two novels Unlike Paris and London Brussels has inspired few outstanding works of literature That makes *Villette* considered by many to be Charlotte Brontes masterpiece of particular interest as a portrait of the Belgian capital a decade after the country gained independence in 1830 and just before modernisation and expansion transformed the city out of all recognition from the villette small town that Charlotte knew Her view of Brussels is contrasted with those of other foreign visitors and of the Belgians themselves The story of Charlotte Brontes Brussels legacy provides a unique perspective on her personality and writing *The Sporting review*, ed. by 'Craven'. John William Carleton,1868 **Speaker and Authority in Old Norse Wisdom Poetry** Brittany Erin Schorn,2017-07-10 While there is a long tradition of research into eddic poetry including the poems classed as wisdom literature much of this has approached the subject either as a primarily philological commentary or has addressed literary and thematic topics of individual or small groups of poems This book offers a wide ranging enquiry into the defining features of Old Norse wisdom including the representation of wisdom in texts which cross traditional generic boundaries It builds on recent advances in understanding of pre Christian religion in Scandinavia and calls on comparative and supporting work from several different disciplinary backgrounds including literary theory other medieval literatures and anthropology *Speaker and Authority* interrogates important questions about the concept of knowledge as well as its role in medieval Scandinavian society and its broader European cultural context *American Swineherd* ,1913
