**The Blossoming of a Nightingale** Sharon Brindley Katana, 2009-11-30 For Irene O'Neill, breaking free from her sheltered childhood and strict father is not a choice; it's a necessity. After promising her father she'd focus solely on her studies, Irene packs her bags for one of the most prestigious hospital-based nursing programs in America. Little did she know how utterly unprepared she was to enter the progressive and fast-paced world in Manhattan and Bellevue Nursing School. Irene stumbles, bumbles, and bluffs her way through classes and scenarios she doesn't completely understand and finds herself mistaking bedpans for food trays and syringes for IVs. But can Irene manage to keep her promise to her father and focus only on her studies in the midst of all Manhattan's distractions? She tries hard to hold true to her morals, but Bellevue's biggest temptations—a male nurse and a stockbroker who seem focused entirely on her—make this promise almost impossible to maintain. For the first time in her young life, Irene finds herself trapped in a love triangle between her patient and sweet colleague Ray and the smooth and powerful stockbroker Steve. Will this inexperienced Nightingale lose herself amid New York City's wild 60s? Will Studio 54, war protests, and free love change the woman she saw in the mirror for her entire life? And will one of these men win her heart, or will they end up ruining her dream of becoming a successful nurse? *Waterblack* Alex Pheby, 2024-02-06 THE DEAD ARE RISING Nathan Treeves leads an army of ghosts from the underwater city of Waterblack heading to the final destructive confrontation with the forces ranged against him. But although he is more powerful than ever, he also has new challenges to face. Most notably Sharli, an assassin whose journey we follow from her perilous childhood in Malarkoi to slavery in Mordew, working in a nail factory to making murder her trade under the ever watchful eye of the terrifying Mr Padge. And on to the climactic encounter between Nathan, The Master, The Mistress, and the Atheistic Crusade. In this, the monumental conclusion to the Cities of the Weft trilogy, *Waterblack* pushes the boundaries and possibilities of the fantasy genre further than ever, with more style than ever posing vital questions about the way power can be abused, who decides who has it, and what it means to have none. It's a book that speaks to and about our own times with magnificent eloquence. It is a trilogy for all time. *The Strange Tale of Barnabus Kwerk* Erika McGann, 2022-09-26 Barnabus Kwerk lives in the biggest, fanciest house in Undle. His family are stinking rich.
