Quran - The Final Testament - Authorised English Version Dr. Rashad Khalifa Ph.D.,2010-12-16 Proclaiming One unifying religion for all the people The Book is without a doubt a revelation from the Lord of the Universe The Final Testament comes with built in physical evidence that it is God s message to you it is mathematically composed beyond human capability This proves that God is the Truth and that He revives the dead and that He is Omnipotent Our Salvation in the hereafter lies on upholding The Quran The Quran is God s Final Testament to the world Unlike any other book the Quran is taught by God 55 1 2 He teaches us what we need at the time we need it This is why we read the Quran hundreds of times without getting bored We can read a novel for example only once But the Quran can be read an infinite number of times and we derive new and valuable information from it every time Since the Quran is God s message to all the people regardless of their language the Quran is accessible to the believers regardless of their language 41 44 This explains a profound phenomenon the believers who do not know Arabic know the Quran better than the Arabic speaking unbelievers Because of the invisible forces serving the Quran it is readily and enjoyably accessible to the sincere believers and utterly inaccessible to the unbelievers 17 45 18 57 56 79 *Bertolt Brecht and the David Fragments (1919-1921)* David J. Shepherd,Nicholas E. Johnson,2020-04-16 This volume offers an examination of Brecht s largely forgotten theatrical fragments of a life of David written just after the Great War but prior to Brecht winning the Kleist Prize in 1922 and the acclaim that would launch his extraordinary career David J Shepherd and Nicholas E Johnson take as their starting point Brecht s own diaries from the time which offer a vivid picture of the young Brecht shuttling between Munich and the family home in Augsburg surrounded by friends torn between women desperate for success and all the while with David on the brain The analysis of Brecht s David along with his notebooks and diaries reveals significant connections between the reception of the Biblical David and one of Germany s most tumultuous cultural periods Drawing on theatrical experiments conducted with an ensemble from Trinity College Dublin this volume includes the first ever translation of the David fragments in English an extensive discussion of the theatrical afterlife of David in the early twentieth century as well as new interdisciplinary insights into the early Brecht a writer entranced by the biblical David and utterly committed to translating the biblical tradition into his own evolving theatrical idiom **Sixties Shockers** Mark Clark,Bryan Senn,2025-01-31 This comprehensive filmography provides critical analyses and behind the scenes stories for 600 horror science fiction and fantasy films from the 1960s During those tumultuous years horror cinema flourished proving as innovative and unpredictable as the decade itself Representative titles include Night of the Living Dead The Haunting Carnival of Souls Repulsion The Masque of the Red Death Targets and The Conqueror Worm An historical overview chronicles the explosive growth of horror films during this era as well as the emergence of such dynamic directorial talents as Roman Polanski George Romero Francis Ford Coppola and Peter Bogdanovich The Bible's Many Voices Michael Carasik,2014-01-01 The most common English translations of the Bible

often sound like a single somewhat archaic voice In fact the Bible is made up of many separate books composed by multiple writers in a wide range of styles and perspectives It is as Michael Carasik demonstrates not a remote text reserved for churches and synagogues but rather a human document full of history poetry politics theology and spirituality Using historic linguistic anthropological and theological sources Carasik helps us distinguish between the Jewish Bible s voices the mythic the historical the prophetic the theological and the legal By articulating the differences among these voices he shows us not just their messages and meanings but also what mattered to the authors In these contrasts we encounter the Bible anew as a living work whose many voices tell us about the world out of which the Bible grew and the world that it created
