Good Chapter Books For 4th Graders:

Look Out, Fourth Grade [formerly Look Out 4th Grade] [formerly Lookout 4th Grade] Laura Everly, 2016-09-09
Look Out Fourth Grade is the third book in a series of children's adventure fantasy books by Laura Everly. The first of her adventures is *The Mighty Pond Hoppers* and the second is *Leah and Candace Leap Into Spring*. Leah and Candace are neighbors, best friends, and students in Mrs. Casey's third grade class at Nash Elementary. In *Look Out Fourth Grade*, Mrs. Casey and her third grade class face a troubling sight in the auditorium where the class play is being set up. With only five days left before their performance of *The Emperor's New Clothes*, there are oodles of problems that need to be fixed. As the third grade class gets closer to becoming fourth graders, Leah and Candace lead the way in helping their classmates overcome several difficulties. Leah and Candace still rely on their secret escape vehicle, the back seat of a 1957 Chevy, to get away from the stress that comes from trying to be good daughters, friends, and classmates. Not only do the girls work as a great support system for one another but also for their friends and families. The two are a great team and push themselves to make the right choices.

Evaluating the School Library Nancy Everhart Ph.D., 2020-10-14
This guide for the evaluation of school libraries both in practice and in research covers analysis techniques and research practices for conducting evaluations of curriculum, collections, facilities, and library personnel performance. This new edition of an important tool for school librarians and administrators describes how and why to conduct evaluations of school libraries and explains the evaluation of curriculum, collections, facilities, student programs and services, and library personnel. The results can be used for strategic planning, curriculum development, and conducting action research. New topics to this edition include explorations of community, faculty, students, and school library research, discussing how to bring all stakeholders to the table when evaluating the school library program, personnel, and services, and the collection and facilities. Other new topics include information on high stakes testing, multiculturalism, special needs, students' advocacy, school librarians' self-evaluation, dispositions for learning, and evidence-based practice. This title will be of value to new school librarians in assessing how their program compares to others as well as to school library professors who will find this book useful in management and administration courses.

Reconceptualizing Literacy in the New Age of Multiculturalism and Pluralism Patricia Ruggiano Schmidt, Althier Lazar, 2015-10-01
The 2nd Edition of *Reconceptualizing Literacy in the New Age of Multiculturalism and Pluralism* honors the genius of Dr. Peter Mosenthal. His contributions to the field of literacy were unprecedented. Many described him as a superb researcher who never lost sight of the purpose of education. He made us laugh as he led us in a nursery rhyme song during his National Reading Conference LRA Presidential Address and made us think as he explained the significance of educational implications in all research articles. He also mentored and taught graduate students in gentle and carefully attentive ways, showing his respect and appreciation for the work of each individual in the field. He was a remarkable person. The second edition of this book includes many experienced and new scholars from
