Good Study Guide Andrew Northedge:

The Good Study Guide Andrew Northedge, 2005-01-01 Developing your learning skills is one of the best investments you can make. We all need to be lifelong learners now. Whether you are an experienced student or just starting out, this book will stimulate, guide and support you. It will make you think about yourself and how your mind learns. And it will change forever the way that you study. Topics include: motivating yourself and managing your time; taking full advantage of your computer; reading with concentration and understanding; developing flexible note-taking strategies; getting the most from seminars and workshops; making presentations; researching online; handling numbers and charts with confidence; writing clear, well-argued assignments; doing yourself justice in exams. For more information go to www.goodstudyguide.co.uk **Ace Your Exam** Andrew Northedge, 2020-12-08 This practical and reassuring guide will ensure your students pass their exams with flying colours. Ace Your Exam establishes a clear, simple framework for revision and helps students get to grips with what exams are all about. Part 1 begins by exploring institutional expectations and common anxieties and exam myths before showing students how to tackle various types of exam, including essay-based exams, short-answer questions, multiple-choice questions, calculation-based exams and open-book exams. Part 2 helps readers plot an effective revision strategy for an imminent exam and, equally important, a detailed strategy for optimal use of time and productive powers during the exam. Finally, Part 3 helps students put their plans into action. Ace Your Exam will be an essential companion to all students preparing for and taking exams. **Learning how to learn** The Open University, 1984-01-01 This 6-hour free course explored how to make the process of learning more effective by applying various ideas and activities to your own study. [More working with charts, graphs and tables](#) The Open University, Studying this 15-hour free course enabled you to build on skills of interpreting information represented in charts, graphs and tables. **Working with charts, graphs and tables** The Open University, Studying this 15-hour free course helped to develop the skills needed to interpret information represented in charts, graphs and tables. **Maths for science and technology** The Open University, This 15-hour free course demonstrated how to reflect on maths knowledge and to identify and learn skills needed for science and technology. **Study Skills** Roy Johnson, 1996 This is a guide to all the skills required when studying in further and higher education. The guidance notes may be used as a programme of advice or as a source of reference. It includes advice on time management, work planning, preparing and writing essays, reading skills, how to generate ideas, how to write more fluently, the use of computer technology and how to enhance the structure of work by planning and creating multiple drafts. It also includes useful suggestions on revision, examinations and working in seminars and tutorials. [Continuum Guide to Media Education](#) Pat Brereton, 2005-07-01 Presented in an A-Z format, this is an authoritative guide to media education in all its aspects. [What is good writing?](#) The Open University, 2014-01-14 This 12-hour free course explored the features of good essay writing, including answering the question set and effective communication. [Effective Writing Skills for Social Work Students](#) Philip

Musson, 2011-06-17 This concise text is written specifically to help students and practitioners hone their techniques and develop their skills when it comes to writing in a clear accessible and above all rigorous manner There are sections on good essay writing and how to construct an argument referencing and plagiarism and reflective and critical writing More than just another study skills book Effective Writing Skills for Social Work is focused on real day to day practice issues and the complex academic demands faced by social work students
