

The Good Wife's Guide

From Housekeeping Monthly; May 13, 1955

Have dinner ready.

Plan ahead, even the night before, to have a delicious meal ready on time for his return. This is a way of letting him know that you have been thinking about him and are concerned about his needs. Most men are hungry when they get home and the prospect of a good meal is part of the warm welcome needed.

Prepare yourself.

Take 15 minutes to rest so you'll be refreshed when he arrives. Touch up your make-up, put a ribbon in your hair and be fresh-looking. He has just been with a lot of work-weary people.

Be a little gay and a little more interesting for him.

His boring day may need a lift and one of your duties is to provide it.

Clear away the clutter.

Make one last trip through the main part of the house just before your husband arrives. Run a dust cloth over the tables.

During the cooler months of the year you should prepare and light a fire for him to unwind by.

Your husband will feel he has reached a haven of rest and order, and it will give you a lift too. After all, catering to his comfort will provide you with immense personal satisfaction.

Minimize all noise.

At the time of his arrival, eliminate all noise of the washer, dryer or vacuum. Encourage the children to be quiet.

Be happy to see him.

Greet him with a warm smile and show sincerity in your desire to please him.

Listen to him.

You may have a dozen important things to tell him, but the moment of his arrival is not the time.

Let him talk first—remember, his topics of conversation are more important than yours.

Don't greet him with complaints and problems.

Don't complain if he's late for dinner or even if he stays out all night. Count this as minor compared to what he might have gone through at work.

Make him comfortable.

Have him lean back in a comfortable chair or lie him down in the bedroom. Have a cool or warm drink ready for him.

Arrange his pillow and offer to take off his shoes.

Speak in a low, soothing and pleasant voice.

Don't ask him questions about his actions or question his judgment or integrity.

Remember, he is the master of the house and as such will always exercise his fairness and truthfulness. You have no right to question him.

A good wife always knows her place. ■

Editor's notes: There's no evidence that this magazine actually existed and this "article" about how to keep hubby happy may have been intended as a hoax. But we thought you'd get a kick out of it—we sure did!

Swarm Before Me Samuel Schwisberg, 2015-12-08 On November 5 1986 Rosa Becker the estranged common law partner of a successful beekeeper in Eastern Ontario shot herself in the head and died That fatal shot reverberated throughout the Canadian legal system when her suicide note revealed she blamed the legal system for forcing her to do it Despite finally winning a landmark 1980 Supreme Court decision awarding her an equal share in the couple's assets Rosa never saw a dime of the judgment By 1986 when it appeared she would finally receive some money after her 12 year legal marathon and the enforced sale of the bee business the court ordered the much reduced share of 68 000 be paid in full to her lawyer to cover her legal bills Despite her many years of paying bills working and helping to build a successful farm business Rosa was left with nothing In desperation she committed suicide Writing in the *Ottawa Citizen* Dave Brown observed in his review of this book's original manuscript that he never thought anybody would ever be able to make sense of the truck load of paperwork generated by the case but this has been done by Samuel Schwisberg it's an amazing piece of work Wow *Swarm Before Me* is a thoroughly researched legal history that explores the social and legal issues surrounding a period of enormous changes in Canadian family law and women's rights
