Goodwill To Ebay Top Ten Items:

Starting an eBay Business For Dummies Marsha Collier,2007-08-27 eBay is the world's marketplace. If you're ready to turn your hobby into an online business, Marsha Collier knows exactly how to help. Packed with proven techniques for boosting your business, *Starting an eBay Business For Dummies* 3rd Edition includes the steps to success that you'll want to know. More than a million people are earning regular income on eBay. Those who are earning the most know how to set up a business, find and manage inventory, use auction management software to best advantage, get freebies on shipping, and run their businesses professionally. Marsha Collier was one of the first, and she shares all the secrets she's learned. In this fun and easy guide to getting your online business off and running, you'll discover how to attract more bidders to your auctions, set up a professional business, find out what sells and what doesn't, increase bidder confidence with strong listings, price your items to sell, reduce your costs by shipping more efficiently, work with a PayPal account and collect your money, understand legal issues such as taxes and licenses, keep appropriate records, improve your image with outstanding customer service. Marsha Collier has been so successful with her home-based business that she educated her daughter on the profits, and today is one of the stars of the eBay community. Along with plenty of solid information and time and money saving tips, she'll give you the confidence you need to become an eBay entrepreneur.

Top 10 Secrets for Spending Your Money Wisely Barbara Gottfried Hollander,2013-07-15 Teens are big consumers, spending more than 200 billion yearly in the United States alone. But many have scant knowledge and skills for spending money responsibly now and in the future. With the ten secrets for wise spending revealed in this book, readers gain the tools to both afford their expenses and save more cash. In addition to budgeting, teens learn to shop smart, accurately judging affordability, discerning needs vs. wants, identifying value, and calculating the true cost of an item. Fascinating financial facts, questions for an expert, common myths, and a helpful glossary all contribute toward helping make readers financially literate.
