The World's Greatest Book Lawrence H. Schiffman, Jerry Pattengale, 2025-04-08 Welcome to the fascinating story of how we got the world's greatest book the Bible It is a captivating story that includes a little bit of everything adventure and violence mystery and bravery and dumb luck or divine intervention depending on your point of view How in the world did we get this book that some people swear by and other people swear at You don't have to be a skeptic to have a grocery list of questions about the formation of the Bible such as Who wrote these documents and when How were these ancient writings transmitted through the ages As scribes made copies of copies didn't they make mistakes that caused the ancient writings to be changed and corrupted How was it decided which writings would be included in the Bible What are the Dead Sea Scrolls and why are archaeological finds like these such a big deal Devoted people dedicated their lives throughout time to put this unique book into the hands of people worldwide Retrace the passion and intrigue behind the Bible's creation **The**

Portraiture of Jesus in the Gospels Albert Lenox Vail, 1916 *Preacher and Homiletic Monthly*, 1908 **The Lost Gospel of John** James Russell, 2008-05 The Gospel of John in the King James Holy Bible is only 15 pages but this new Gospel of John is a massive volume packed with intense knowledge *The GOSPEL PROPHECY: the Bible as Allegory*, 2009-05-17 The church fathers were much closer to the time when the original manuscripts of the Bible were written than we are so doesn't it make sense to use the methods of interpretation they used rather than forcing an understanding based on history and a literal sense of language Especially when interpreting such cryptic books as The Revelation A universe without God is different than the one a believer sees An atheist sees a universe of randomness Where are purpose design and meaning A Godless universe is a chaotic place ruled by chance The Christian sees a universe under God's control God gives purpose and meaning and is the designer His order is maintained throughout the domain If that is the case shouldn't the Bible God's Word represent something other than random bits of history and prose Shouldn't it be considered something more than the uninspired writings of ancient men **Peloubet's Select Notes on the International Bible Lessons for Christian Living**, 1916 **Herald of Gospel Liberty**, 1908 Pseudo-criticism Robert Anderson, 1904 Christian Advocate, 1912 Bulletin of the Public Library of the City of Boston Boston Public Library, 1914
