- At times, the cold war became 'warm' and threatened to develop into full scale, 'hot' war - but one of the two powers always backed down at the last minute and thus the cold war continued for a lengthy period.

Origins of the Cold War

- After World War II, the Allied Powers had several conferences to discuss the future of Germany and the reconstruction of Europe.
- In February 1945, the Yalta Conference was held in the Soviet Union and the following was decided upon by the Big Three (Russia, USA, and Britain):
 - That Germany be divided into four Zones of occupation - Russian, American, British and French.
 - Berlin, the capital of Germany, which was situated in the Russian Zone, be divided into four sections, one for each of the 4 major
