POLICY

All Johns Hopkins Home Care Group employees will be evaluated at periodic intervals based on his/her job description and not less than annually.

Purpose

To define the policy and procedure and guidelines of Johns Hopkins Home Care Group with respect to a common and consistent program of completing performance appraisals for all employees. To provide a consistent process, in compliance with JCAHO and HCFA standards.

Content

A performance appraisal is intended to document and maintain satisfactory performance as a part of an individual employee by:

- A. Providing a means of measuring an employee's effectiveness on the job.
- B. Identifying areas where an employee is in need of training or improving.
- C. Maintaining a high level of motivation through feedback and the setting of specific goals on the basis of this feedback.

Employees are responsible for working with their supervisors on an ongoing basis to develop and maintain a clear performance plan defining various performance expectations and their relative priority.

I. DEFINITIONS

- A. A performance appraisal is any judgement or decision that affects an employee's status in an organization regarding retention, termination, promotion, transfer, salary adjustment or admission into training programs.
- B. A performance appraisal is an assessment of the quantity, quality and value of an individual's contribution to Johns Hopkins Home Care Group based on performance of essential functions and/or responsibilities.
- C. Performance appraisals are based upon the employee's performance as it relates to his/her specific written job description.

Compliance for Coding, Billing & Reimbursement, 2nd Edition Duane C. Abbey, 2008-04-02 While the vast majority of providers never intend to commit fraud or file false claims complex procedures changing regulations and evolving technology make it nearly impossible to avoid billing errors For example if you play by HIPAA's rules a physician is a provider however Medicare requires that the same physician must be referred to as a supplier Even more troubling is the need to alter claims to meet specific requirements that may conflict with national standards Far from being a benign issue differing guidelines can lead to false claims with financial and even criminal implications

Compliance for Coding Billing Reimbursement Second Edition A Systematic Approach to Developing a Comprehensive Program provides an organized way to deal with the complex coding billing and reimbursement CBR processes that seem to force providers to choose between being paid and being compliant Fully revised to account for recent changes and evolving terminology this unique and accessible resource covers statutorily based programs and contract based relationships as well as ways to efficiently handle those situations that do not involve formal relationships Based on 25 years of direct client consultation and drawing on teaching techniques developed in highly successful workshops Duane Abbey offers a logical approach to CBR compliance Designed to facilitate efficient reimbursements that don't run afoul of laws and regulations this

resource Addresses the seven key elements promulgated by the OIG for any compliance program Discusses numerous types of compliance issues for all type of healthcare providers Offers access to online resources that provide continually updated information Cuts through the morass of terminology and acronyms with a comprehensive glossary Includes a CD ROM packed with regulations and information In addition to offering salient information illustrated by case studies Dr Abbey provides healthcare providers and administrators as well as consultants and attorneys with the mindset and attitude required to meet this very real challenge with savvy humor and perseverance **Monthly Catalogue, United States Public**
