## **Home Making On Raising A Christian Family:**

Home-making J. R. Miller, 2014-12-26 The Wedded Life The Christian Husband The Christian Wife The Parent s Part The Children s Part Brothers and Sisters The Home life Religion in the Home Home Memories Originally published in 1882 Home making is a steadfast proclamation of advocacy for the domestic bliss and cultural dominion of the Christian family The message of Home making is powerful and resolute Sisters Brothers Husbands Wives home life is meant to be beautiful ennobling and victorious God intends for each person from parent to child to play a role in family life the ultimate goal of which is the transformation of the individual the home and the society for the glory of God Miller writes truth that we need to hear but are usually afraid to say He carefully addresses each member of the family managing to find the perfect balance between inspiration and exhortation Homes are the divinely ordained fountains of life It is not by accident that people live in families rather than solitarily The human race began in a family and Eden was a home The divine blessing has ever rested upon nations and communities just in the measure in which they have adhered to these original institutions and have kept marriage and the home pure and holy and blight and curse have come just in the measure in which they have departed from these divine models dishonoring marriage and tearing down the sacred walls of home **Building the Christian Family**

*Christian Parenting* David P. Setran, 2022-06-21 What can the past teach us about what it means to be a good Christian

parent today Today's parenting guidance can sometimes feel timeless and inviolable especially when it comes to the spiritual formation of children in Christian households But even in the recent past parenting philosophies have differed widely among Christians in ways that reflect the contexts from which they emerged In this illuminating historical study David Setran catalogs the varying ways American Protestants envisioned the task of childrearing in the seventeenth eighteenth and nineteenth centuries Comparing two main historical time periods the colonial era and the Victorian era Setran uncovers common threads opposing viewpoints and the cultural and religious influences behind the dominant parenting postures of each era The implications of his findings matter for today's big questions about parenting Should children be viewed as basically good in need of protection from corruption or as fundamentally sinful in need of moral correction How should parents address misbehavior Should a parent's primary role be that of teacher disciplinarian or nurturer What importance should be attributed to devotions and prayer church involvement Sabbath keeping home decorating and fun family activities What consideration should be given to gender Should boys and girls be raised differently Do mothers and fathers have essentially different responsibilities As he surveys these historical perspectives Setran reflects on the legacy and future of Christian parenting concluding that the Protestant heritage encourages the importance of intentional devotional practices the development of close parent child bonds and the creation of godly household environments In the end he argues that all of these historical values are critical to the full expression of Christian parental love This is a love that teaches because it wants to help children understand true goodness that admonishes and restrains because it wants to protect children from whatever keeps them from true pleasure and joy that fosters strong relationships so children might experience the lavishness of God's love that models Christlike sacrifice and guides children into the arms of their Creator

**Building a Strong Christian Family Foundation** Romy Baylon, 2003 This generation of parents are better educated and most probably the richest in history but most parents have grown to embrace the fact that the material gain from their labour outweighs everything to the point of setting aside their godly responsibility to their family The sphere of materialism is so strong that they become disillusioned about the importance of moral and spiritual values The original intention of building a strong Christian family foundation becomes secondary Do not ignore the signs of the times the Christian family is in extreme danger of losing its identity We need help The Christian family needs help The book covers those vital elements in building and maintaining a strong Christian family foundation You'll discover how to reinforce relationships by clearly illustrating the complementary roles of each member of the family use your God-given responsibility to build a strong foundation for your home on the rock solid wisdom love and understanding promote the total development and preservation of the family identify potential family problems and overcome crisis and learn act and teach family values and create strong Christian legacy Unless we go back to the very foundation of a loving home ruled with wisdom and understanding with Jesus Christ and the center the proliferation of commercialism peer pressure and the obligations imposed by society will press on You need to

**Parenting, 112 Solutions to the Parenting Problems of Today** Francis Edo Olotu ,Catherine Olubukunola

Olotu,2014-02-24 Effective parenting is about raising well adjusted children who are assets to society Maximized Parenting is a book which promotes effective parenting through equipping parents with the knowledge that fosters proper foundation for parenting According to Partnership for 21st Century Skills 2006 and American Management Association s AMA 2010 Survey many employers believe that higher education is failing in its role to adequately develop needed skills in students Parents with the help of this book can bridge the knowledge gap between what higher education provides and what the employment industry requires The book is for parents who consider parenting as one of their most important responsibilities in life One of the greatest assets a child could have is dutiful parents from whom he she learns the act of parenting Parents without this privilege are large in number and to them parenting is a dark continent which they find difficult to navigate This book is written to inform inspire and impart knowledge about parenting in the 21st century The book would enable parents interact with their children in a way that would motivate them to be outstanding persons in life In this information age you cannot limit your child to how you were brought up or what you know because he she was born in another era The gamut of issues covered in this book will equip you to bring up your child to be successful in life Issues treated in this book will help you know healthy parenting methods that are best for your child The book contains a very broad mix of issues a parent would encounter at every stage of a child s life It is written from the perspective that a parent s job is for life and as such parents need help to sustain their long term commitment to their children Issues covered include character building instilling moral values into children basic life skills at every stage of life sexuality education and handling children with special needs While the information in this book is specifically for parents the information would be useful to fathers groups men s groups women s groups grandparents extended family members and childcare providers that have opportunities to relate to children Research now and again has shown that a family is more important to a child s school success than how much money the family makes or how much education the parents have No parent who has read this book should ever ask How can I make my child a success in life The social commentator Michael Novak wrote on the importance of family One unforgettable law has been learned through all the disasters and injustices of the last thousand years if things go well with the family life is worth living when the family falters life falls apart The goal of Maximized Parenting is to fill the knowledge gap in you that will make you a better parent as well as an inspiration to other parents of the 21st century Choose to be an intentional parent

who will put in the needed time energy and efforts to raise successful children Know that expensive toys and vacations are a poor substitute for the valuable time you need to spend with your children Refuse to outsource your parenting duties to care givers and boarding schools and you will be a stakeholder in the next generations through your children who will pass on your legacies Remember when a parent dies one thing that cannot be buried with him her is his her impact on the lives of his her children those things become a living memorial in his her children *The Western Christian Advocate* ,1900 *Gospel Herald* ,1928 *Gender, Religion, and the Heathen Lands* Maina Chawla Singh,2013-10-31 Seeking to extend existing scholarship on gender and colonialism and on women and American religion this cross cultural study examines the work of American missionary women in South Asia at several levels A primary concern of the study is to historicize the interventions of these women and situate them within the dual contexts of the sending society and the receiving culture It focuses on missionaries Isabella Thoburn and Ida Scudder who founded some of the premier women s colleges and hospitals in British colonial India The book also draws upon the narratives and reminiscences of South Asian women now in their seventies who attended such institutions in the 1940s and whose voices texture our understanding of American women s missionary work in Other cultures Medical Missionaries and Colonial Knowledge in West Africa and Europe, 1885-1914 Linda Maria Ratschiller Nasim,2023-11-02 This open access book offers an entangled history of hygiene by showing how knowledge of purity health and cleanliness was shaped by evangelical medical missionaries and their encounters with people in West Africa By tracing the interactions and negotiations of six Basel Mission doctors who practised on the Gold Coast and in Cameroon from 1885 to 1914 the author demonstrates how notions of religious purity scientific health and colonial cleanliness came together in the making of hygiene during the age of High Imperialism The heyday of evangelical medical missions abroad coincided with the emergence of tropical medicine as a scientific discipline during what became known as the Scramble for Africa This book reveals that these projects were intertwined and that hygiene played an important role in all three of them While most historians have examined modern hygiene as a European bourgeois and scientific phenomenon the author highlights both the colonial and the religious fabric of hygiene which continues to shape our understanding of purity health and cleanliness to this day **Crafting a Rule of Life** Stephen A. Macchia,2012-02-24 In this practical workbook Stephen A Macchia looks to St Benedict as a guide for discovering your rule of life It takes time and effort you must listen to God and discern what he wants you to be and do for his glory But through the disciplines of Scripture prayer and reflection with a small group you will journey toward Christlikeness Elizabeth Bacon Custer and the Making of a Myth ,1998-09-01 Georger Armstrong Custer s death in 1876 at the Battle of the Little Big Horn left Elizabeth Bacon Custer a thirty four year old widow who was deeply in debt By the time she died fifty seven years later she had achieved economic security recognition as an author and lecturer and the respect of numerous public figures She had built the Custer legend an idealized image of her husband as a brilliant military commander and a family man without personal failings In Elizabeth

Bacon Custer and the Making of a Myth Shirley A Leckie explores the life of Libbie a frontier army wife who willingly adhered to the social and religious restrictions of her day yet used her authority as model wife and widow to influence events and ideology far beyond the private sphere
