Rhodes,2025-09-18 This collection examines over a dozen of Martin Scorsese s most overlooked works including the television shows music videos television commercials and feature films that have been largely ignored by film critics and or the moviegoing public From After Hours 1985 and New York Stories 1989 to Il Mio Viaggio 1999 The Age of Innocence 1993 and The Aviator 2004 Neglected Scorsese reclaims the director s less appreciated works giving them the respect and attention they deserve Scorsese is one of the finest directors in film history Of all New Hollywood directors he remains the most active the most indispensable the most new not only changing with the times but changing the times through the magnitude of his work Without Scorsese s gangster films the global gangster genre would not be the same nor anywhere near as accomplished and without his filmography the entirety of American cinema would be greatly diminished The purpose of this book is not about bringing more attention to Scorsese the director or to his most notable films Rather it argues that Scorsese s lengthy career has produced individual works that have been neglected even while others have been lauded Neglected in this collection is defined as those Scorsese films that were underappreciated by mainstream critics by mainstream audiences by scholars or by any combination of the three Further the book s focus goes beyond feature films as Scorsese has directed shorts music videos television programs and TV commercials There is intrinsic value in these film forms just as there is value in the analysis of those Scorsese directed **The Video Source Book** David J.
