How To Explain Your Faith:

How to Explain your Faith John Pritchard, 2014-10-16 This book addresses the fact that apologetics today needs to operate on the basis of dialogue and conversation rather than proclamation and persuasion. It will help you talk more confidently with your friends about the hope that keeps you going. And during those times when you find that you are questioning your faith, the answers and ideas here may help you come to a deeper understanding of what you really believe.
