Unregulated immigration has led to an increase in crime a loss of working class jobs an inflated welfare state and an elevated amount of terror threats on our home territory The clash of differing emotions facts and opinions reveal that this issue is not simply a nationwide disagreement it is an American crisis In The Politically Incorrect Guide to Immigration authors John Zmirak and Al Perrotta debunk the Left s most deceptive myths on this complex policy issue and reveal the huge implications that lie ahead for our nation s future Zmirak and Perrotta set the record straight on the history of American immigration uncover the principles with which our forefathers migrated to America affirm the respect with which migrants should treat our country if they wish to live here and assert real solutions to the immigration crisis America faces The Politically Incorrect Guide to Immigration equips readers with real life statistics and information and is packed with targeted arguments to help convince even the staunchest advocates for open borders that America needs to build The Wall You may think you know all about immigration but in The Politically Incorrect Guide to Immigration you ll learn Building The Wall would cost less than half of what we spend to educate illegal immigrants every year Illegal immigration costs American taxpayers 116 billion a year 62% of naturalized immigrants are for the Democrats only 25% are for the Republicans Competition from immigrants costs American worker 450 billion a year The Founders wanted to admit only immigrants who would make a net contribution and assimilate Millions of nineteenth century immigrants who couldn t make it in American went back home The percent of foreign born in the United States today is the highest since World War I and this time we re not doing Americanization After Reagan s 1986 Amnesty the illegal population went from 3.2 million to 11 million Over 700 000 foreign visitors to the United States in 2016 overstayed their visas Eighty percent of Central American women and girls who enter the United States illegally are raped along the way Non citizens are only 9 percent of our population but 27 percent of federal prisoners One hundred forty seven million more people from around the world would like to move to the United States Final Report of the Select Commission on Immigration and Refugee Policy United States. student or the general public who rarely learn a basic history of race and racism If we are to dismantle systemic racism and create a more just society people need a place to begin This accessible introductory and interdisciplinary guide can be one such place Grounded in critical race theory this book uses the metaphor of the Racism Machine to highlight that race is a social construct and that racism is a system of oppression based on invented racial categories It debunks the false ideology that race is biological As a manual this book presents clear instructions for understanding the history of race including whiteness starting in colonial America where the elite created a hierarchy of racial categories to maintain their power through a divide and conquer strategy As a toolbox this book provides a variety of specific action steps that readers can take once they have developed a foundational understanding of the history of white supremacy a history that includes how the Racism Machine has been recalibrated to perpetuate racism in a supposedly post racial era *Official Report OF DEBATES VOLUME II* Council of Europe, Legal Immigration Reform Proposals United States. Congress. House. Committee on the Judiciary. Subcommittee on Immigration and Claims,1996 *Minutemen* Jim Gilchrist,Jerome R. Corsi,2006 This book is a first hand account from the frontlines and what it says will shock you Jim Gilchrist teams up with Jerome Corsi the co author of *Unfit for Command* the book that derailed John Kerry s presidential campaign to describe in vivid detail how the nation s southern border has disintegrated into a Wild West of human trafficking drug smuggling and violent gangs Readers of this disturbing and timely book will learn how Mexico encourages the mass emigration of millions of impoverished peasants and why the Mexican government will stop at nothing to keep the border open The Catholic Church uses its power and influence to subvert immigration laws and why Church leaders are speaking out in favor of amnesty American taxpayers are forced to pay the staggering economic and cultural price tag of illegal immigration and why our government wants to keep the true costs hidden from the public Like their Revolutionary War predecessors who defended America against a hostile foreign power today s Minutemen have risen up to answer their nation s call against another invasion Minutemen is their story as well as an urgent call to arms to all of their countrymen **Country Reports on Human Rights Practices for 2008: Vols.
