How To Become A Gangster Become A Gangster Number 1:

NO.1 Conceited Soldier Yi ZhiYan,2020-06-12 He was the most mysterious sharp knife in China as well as the most fearsome dragon in the world He avenged his brother s death by killing the biggest drug lord of the Grey border but he was sent to a military court and lost to the flowery city However dragons would always soar to the nine heavens dominating the winds and the clouds When he returned everyone lowered their heads *The Gangster Film Reader* Alain Silver,James Ursini,2007-02 In the 1930s the gangster film in the United States coincided with a very real and very sensational gangsterism at large in American society Little Caesar 1931 The Public Enemy 1931 and Scarface 1932 borrowed liberally from the newspapers and books of the era With the release of just these three motion pictures in barely more than a year s time Hollywood quintessentially defined the genre The characters the situations and the icons from fast cars and tommy guns to fancy fedoras and fancier molls established the audience expectations associated with the gangster film that remain in force to this day As with their Film Noir Reader series using both reprints of seminal articles and new pieces editors Silver and Ursini have assembled a group of essays that presents an exhaustive overview of this still vital genre Reprints of work by such well known film historians as Robin Wood Andrew Sarris Carlos Clarens Paul Schrader and Stuart Kaminsky explore the evolution of the gangster film through the 1970s and The Godfather Parts 2 and 3 comprise two dozen newer articles most of them written expressly for this volume by Ursini and Silver These case studies and thematic analyses from White Heat to the remake of Scarface to The Sopranos complete the anthology **The Mafia Gangster in American Crime Fiction: an analysis of the phenomenon of the mafia with reference to "The Godfather", "Goodfellas" and "The Sopranos"**

David Fußinger,2012-06-11 Seminar paper from the year 2012 in the subject American Studies Culture and Applied Geography grade 1.3 University of Cologne English Department 1 course The Official World language English abstract The genre of crime fiction comprises several subgenres and is only an umbrella term for literature about crime that originated particularly in Great Britain and the United States in a time ranging from the eighteenth to the twenty first century When people are confronted with the genre of crime fiction they usually associate it with detective fiction or crime thrillers Some of the most popular writers of crime fiction are Agatha Christie Arthur Conan Doyle Raymond Chandler and Edgar Allan Poe and their inventions of such characters as Sherlock Holmes Hercule Poirot Miss Marple and Philip Marlowe Priestman 2003 preface These works have shaped our understanding of crime literature profoundly and influenced the emergence of other crime fiction genres and their authors On these grounds this essay will mainly focus on the emergence of a crime genre that is concerned with the American gangster and the myth of the mafia To be more precise I will concentrate on the mafia gangster in the United States and analyze his way to success and power To better understand the phenomenon of the mafia gangster I will give a brief account of American crime fiction followed by a description of the typical ingredients a successful crime novel has to have Afterwards I will present some information on the American gangster in general and explain the

circumstances that facilitated his career in organized crime to become such an important part of American culture Then I will proceed with the sudden appearance of the mafia gangster in the United States and comment on the etymology of the term mafia in order to explain how he became so important to the American culture After the background information has been covered by the first three chapters I will go on with the analysis of the phenomenon of the mafia in literature and on television Therefore the very popular contributions to the mafia genre produced by Mario Puzo Francis Ford Coppola Martin Scorsese and David Chase will be discussed The Godfather Goodfellas and The Sopranos will be the main subjects of interest to show how these works contributed to a general understanding of the mafia in the second half of the twentieth century Finally I will give a short account of the decline of the mafia in organized crime within the United States before the Conclusion will be presented
