

The background of the entire cover is a photograph of the interior of Antelope Canyon. The walls are made of smooth, undulating sandstone, creating a series of narrow, winding paths. Light enters from an opening at the top, creating a dramatic play of light and shadow. The colors range from deep, dark browns and blacks in the shadows to bright, warm oranges and yellows where the light hits the sandstone. The overall effect is one of a mysterious, ancient, and beautiful natural space.
