India. Ministry of Water Resources,2009 Transforming Power Aynsley Kellow,1996 Originally published in 1996 this book
is an exploration and analysis of the electricity industry in the context of uncertainty following the energy crisis of the 1970s
and concern over the greenhouse effect Few industries demand a similar level of foresight and planning or such vast
amounts of capital The book examines five well known Australian Canadian and New Zealand cases and closely analyses the
ways in which various agencies have sought ends to serve the means at their disposal Electricity has long been regarded as a
natural monopoly but questions of privatisation regulation and government control are increasingly prevalent The book
explores these issues and also notes the experiences of other countries in its analysis of institutional reform Aynsley Kellow
argues for different approaches to electricity planning which offer much by way of economic savings and minimisation of
environmental problems **Annual Report of the Secretariat of the Pacific Regional Environment Programme**
Secretariat of the Pacific Regional Environment Programme,2010 *Archiving Websites* Adrian Brown,2006-06 This
important book is the first to offer practical guidance to information management professionals seeking to implement web
archiving programmes of their own It is essential reading for those who need to collect and preserve specific elements of the
web from national domains or individual subject areas to an organization s own website Drawing on the author s experience
of managing the National Archives web archiving programme together with lessons learned from other international
initiatives this book provides a comprehensive overview of current best practice It assumes only a basic understanding of IT
and web technologies but also offers much to more technically oriented readers Contents include the development of web
archiving selection policies collection methods quality assurance preservation delivery to user optimizing websites for
archiving legislation managing a web archiving programme future trends Readership Written to address audiences from the
whole spectrum of information management sectors this book is vital reading for three types of reader policy makers who
