Includes three popular photography guides: Composition Digital Field Guide, Exposure Digital Field Guide and Lighting Digital Field Guide in one e-book set. Shows you when, where and how to create and capture perfect light every time. Walks you through the complex techniques of good exposure, helping hobbyists grow into serious photographers. Helps you combine and place elements in a frame and compose compelling photos. Combining digital photography and e-books, the best in today's technology. Photography Techniques Digital Field Guide 3-Book Set is your e-ticket to producing better photos.

[PCPhoto Digital Zoom Camera Handbook](#) Rob Sheppard, 2005 From the number one digital photography magazine comes the most comprehensive guide to the fastest-selling cameras made today. Last season's PCPhoto Digital SLR Handbook gave camera owners a great manual with all the technical guidance they needed; now photographers who own an advanced compact digital camera get their turn. Open up this richly illustrated volume and find in-depth instruction with all relevant concepts, operations and terms masterfully explained so amateur photographers can take full advantage of these amazingly capable units. In addition to a general overview of digital versus traditional photography, there's a thorough discussion of how to utilize the LCD monitor built in, zoom lens and every feature and function, how to edit in-camera work, the exposure modes, get the most from presets and handle the memory card, accessories and flash. And a full chapter covers picture taking in the field. Every page is inspirational and invaluable.
