Burnaford,2000-12 This book explores images of schoolteachers in America from the beginning of the 20th century to the present using a wide range of approaches to scholarship and writing It is intended for both experienced and aspiring teachers to use as a springboard for discussion and reflection about the teaching profession and for contemplating these questions What does it mean to be a teacher What has influenced and sustained our beliefs about teachers New in the second edition The focus is shifted to the teaching profession as the 21st century unfolds The volume continues to explore teacher images through various genres oral history narrative literature and popular culture In the second edition the authors place more emphasis on the social political context that has shaped teachers daily experiences and the teaching profession itself In the study of teacher images and schooling the essays draw from feminist research methods and the critical tradition in educational inquiry to probe issues of power and authority race social class and gender The emphasis is on the multidimensionality of teacher images rather than normative characterizations Six totally new chapters have been written for this new edition an invented interview spanning 100 years of school teaching portraits of progressive activist teachers an exploration of teachers in fiction for young adults a retrospective of the satirical cartoon show The Simpsons a study of

crusading and caring teachers in films and an overview of progressive classroom practices in the new millennium Seven chapters have been thoroughly revised to reflect current scholarship and the authors evolving knowledge and interests

The Simpsons in the Classroom Karma Waltonen, Denise Du Vernay, 2014-01-10 The object of much debate attention and scholarship since it first aired more than 20 years ago The Simpsons provides excellent if unexpected fodder for high school and college lesson plans After all laughing students are hardly sleeping students But The Simpsons also provides a familiar student knowledge base which instructors can use as a jumping off point to introduce concepts in literature composition linguistics cultural studies gender studies and media appreciation The authors both of whom have been teaching The Simpsons for more than a decade share exercises prompts and even syllabi that have proven successful in their own courses Instructors considering this book for use in a course may request an examination copy here **The Gospel According to**

the Simpsons Mark I. Pinsky, 2007-01-01 In this entertaining and enlightening book religion reporter Pinsky shows how The Simpsons engages issues of religion and morality in a thoughtful provocative and genuinely respectful way Practical Life

Simpson Family, *Leaving Springfield* John Alberti, 2004 Since its first appearance as a series of cartoon vignettes in 1987 and its debut as a weekly program in 1990 The Simpsons has had multiple even contradictory media identities Although the show has featured biting political and social satire which often proves fatal to mass public acceptance The Simpsons entered fully into the mainstream consistently earning high ratings from audiences and critics alike Leaving Springfield addresses the success of The Simpsons as a corporate manufactured show that openly and self reflexively parodies the very consumer capitalism it simultaneously promotes By exploring such topics as the impact of the show s satire on its diverse viewing public and the position of The Simpsons in sitcom and television animation history the commentators develop insights into the ways parody intermixes with mass media to critique post modern society In spite of the longevity and high cultural profile of the show The Simpsons has so far attracted only scattered academic attention Leaving Springfield will be of importance to both scholars of media and fans of the show interested in the function of satire in popular culture in general and television in particular The Publishers Weekly, 2001 **The Ultimate Player's Guide to LEGO Dimensions**

The Little Guide to The Simpsons Orange Hippo!,2023-08-08 The Simpsons Matt Groening s animated sitcom is arguably the greatest show in TV history To its critics the dysfunctional family embodies the decline of wholesome values To its fans the show provides a window into America s soul with each new season seeing the Simpsons spiral into ever increasing levels of craziness reflecting the nation s blurring of parody with reality For more than 30 years and across nearly 750 episodes an entire generation has been shaped by some of the most influential and memorable characters on TV Homer the classic middle class anti hero Bart the lovable brat eternally trapped inside the body of a 10 year old who questions everything Lisa talented and gifted the voice of reason prepared to stand up and make herself heard and Marg overworked and underappreciated with endless amounts of forgiveness for Homer It may only be a cartoon on the surface but The Simpsons resonates with viewers on a much deeper level Offering charm humor and life lessons it s perfect TV that has stood the test of time Son if you really want something in this life you have to work for it Now quiet They re about to announce the lottery numbers Homer Simpson In 1998 the 10 year old Bart Simpson was named as one of the Most Influential People Of The Century by TIME Magazine

The Simpsons Secret Lydia Poulteney,James Hicks,2021-09-28 Have You Ever Wondered How The Simpsons Predict the Future Did The Simpsons really truly predict anything I predict you ll have to purchase this book to get the true story Bill Oakley Simpsons writer and producer 1 New Release in Animated Movies Comedy Movies and Comedy Television Then The Simpsons Secret is the book for you Delve into some of the biggest predictions that came true on the show and just how the Simpsons predict the future Simpson predictions from three eyed fish to presidential elections The Simpsons has been predicting major events with scary accuracy for over three decades From Donald Trump s presidency to Disney buying 20th Century Fox years before it happened People just can t seem to get enough and are eager to know what they are going to predict next This book goes behind the scenes of this adored cartoon series and the family we ve grown to love Between Homer Marge Bart Lisa and the rest of the Simpsons family the show has stolen our hearts and also left us amazed at how often the Simpsons predict the future So how do they do it Is it a crystal ball A fountain of knowledge Have the writers gained the ability to travel through time As shocking as it may seem the answer is actually a little simpler

than that The cartoon crew is not in a secret society that can see the future nor have they mastered the art of time travel In The Simpsons Secret learn more about How The Simpsons are able to predict so many major events How the show writers and producers come up with these ideas And so much more about your favorite old school cartoon family If you enjoyed books like Springfield Confidential The Simpsons Family History Friends Forever or The Office you ll love The Simpsons Secret

The American Villain Richard A. Hall,2020-12-02 The American Villain Encyclopedia of Bad Guys in Comics Film and Television provides one go to reference for the study of the most popular and iconic villains in American popular culture Since the 1980s pop culture has focused on what makes a villain a villain The Joker Darth Vader and Hannibal Lecter have all been placed under the microscope to get to the origins of their villainy Additionally such bad guys as Angelus from Buffy the Vampire Slayer and Barnabas Collins from Dark Shadows have emphasized the desire for redemption in even the darkest of villains Various incarnations of Lucifer Satan have even gone so far as to explore the very foundations of what we consider evil The American Villain Encyclopedia of Bad Guys in Comics Film and Television seeks to collect all of those stories into one comprehensive volume The volume opens with essays about villains in popular culture followed by 100 A Z entries on the most notorious bad guys in film comics and more Sidebars highlight ancillary points of interest such as authors creators and tropes that illuminate the motives of various villains A glossary of key terms and a bibliography provide students with resources to continue their study of what makes the baddest among us so bad

The Simpsons' Beloved Springfield Karma Waltonen,Denise Du Vernay,2019-08-30 First aired in 1989 The Simpsons has become America s most beloved animated show It changed the world of television bringing to the screen a cartoon for adults a sitcom without a laugh track an imperfect lower class family a mixture of high and low comedy and satire for the masses This collection of new essays explores the many ways in which The Simpsons reflects everyday life through its exploration of gender roles music death food politics science and religion anxiety friendship and more

Cumulated Index to the Books ,1999

TV Guide Stephen F. Hofer,2006 This book looks at the origins and growth of television through the pages of TV Guide and covers the complete run of this American icon from the first guides in 1953 to the last issue in guide format on October 9 2005 It includes full color reproductions of every cover ever printed and is both a collector s guide with pricing included and a retrospective view of the medium

The British National Bibliography Arthur James Wells,1999

Gilligan Unbound Paul Arthur Cantor,2003 Cantor demonstrates how during the 1960s Gilligan s Island and Star Trek reflected America s faith in liberal democracy and our willingness to project it universally Gilligan s Island Cantor argues is based on the premise that a representative group of Americans could literally be dumped in the middle of nowhere and still prevail under the worst of circumstances Star Trek took American optimism even further by trying to make the entire galaxy safe for democracy Despite the famous Prime Directive Captain Kirk and his crew remade planet after planet in the image of an idealized 1960s America
