**What the River Carries** Lisa Knopp, 2012-05-18 In this informed and lyrical collection of interwoven essays Lisa Knopp explores the physical and cultural geography of the Mississippi Missouri and Platte rivers she has come to understand and cherish At the same time she contemplates how people experience landscape identifying three primary roles of environmental perception the insider the outsider and the outsider seeking to become an insider Viewing the waterways through these approaches she searches for knowledge and meaning Because Knopp was born and raised just a few blocks away she considers the Mississippi from the perspective of a native resident a dweller in the land She revisits places she has long known Nauvoo Illinois the site of two nineteenth century utopias one Mormon one Icarian Muscatine Iowa once the world's largest manufacturer of pearl mussel shell buttons and the mysterious prehistoric bird and bear shaped effigy mounds of northeastern Iowa On a downriver trip between the Twin Cities and St Louis she meditates on what can be found in Mississippi river water state lines dissolved oxygen smallmouth bass corpses family history wrecked steamboats mayfly nymphs toxic perfluorinated chemicals philosophies Knopp first encountered the Missouri as a tourist and became acquainted with it through literary and historical documents as well as stories told by longtime residents Her journey includes stops at Fort Bellefontaine where Lewis and Clark first slept on their sojourn to the Pacific Little Dixie Missouri's slaveholding hemp growing region as revealed through the life of Jesse James's mother Fort Randall Dam and Lake Francis Case the construction of which destroyed White Swan on the Yankton Sioux Reservation and places that produced unique musical responses to the river including Native American courting flutes indie rock Missouri River valley fiddling Prohibition era jazz jam sessions and German folk music Knopp's relationship with the Platte is marked by intentionality she settled nearby and chose to develop deep and lasting connections over twenty years residence On this adventure she ponders the half million sandhill cranes that pass through Nebraska each spring the ancient varieties of Pawnee corn growing at the Great Platte River Road Archway Monument a never broken tract of tallgrass prairie the sugar beet industry and the changes in the river brought about by the demands of irrigation In the final essay Knopp undertakes the science of river meanders consecutive loops of water moving in opposite directions which form around obstacles but also develop in the absence of them What initiates the turning that results in a meander remains a mystery Such is the subtle and interior process of knowing and loving a place What the River Carries asks readers to consider their own relationships with landscape and how one can most meaningfully and responsibly dwell on the earth's surface Winner of the 2013 Nebraska Book Award for Nonfiction Honorable Mention for the Association for Literature and the Environment's 2013 Environmental Creative Nonfiction Award

**The Atlantic**, 1990      **Vengeance** Zachary Lazar, 2018-02-13 Tense and evocative Despite its powerful social critique Vengeance is cautious and prismatic openly troubled by its own claims to authority Katy Waldman The New Yorker As the narrator attempts to sort out what happened in King's life paying visits to his devoted mother his

estranged young daughter and her mother his girlfriend his brother and his cousin the writer's own sense of identity begins to feel more and more like a fiction He is one of the free people while Kendrick who studies theology and philosophy will never get his only wish expressed plainly as I just need to get out of here The dichotomy between their lives forces the narrator to confront the violence in his own past and also to reexamine American notions of guilt and penance racial bias and the inherent perversity of punitive justice It is common knowledge that we have an incarceration crisis in our country Vengeance by way of vivid storytelling helps us to understand the failure of empathy and imagination that causes it
