Mean Streets Jacobus Kotze,2012 **Mean Streets - Life in the Apartheid Police Book 1 College Days** Jacobus Kotze,2015-10-06 The Mean Streets Books are about the service years of the author in the South African Police Force 1985 1991 The Police Force had almost nothing in common with a Sheriff s Department The policemen were fighting as light mechanized infantry besides being policemen We dealt with violent crime counter terrorism counter insurgency and full scale riots on a daily base It is much more than a biography about policing the mean streets the books explain how an honorable police force became an instrument of terror It is a stark warning on what happens when unscrupulous politicians get control of a highly disciplined police force and there is no Bill of Human Rights to stop them from implementing the laws no matter how unfair it may be The first book is a brutally honest and unconventional account of the Author s basic training and other events at the South African Police College in Pretoria The Wall Street Journal ,1994 **New York Magazine** ,1988-03-07 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea *AF Press Clips* United States Department of State.
