Meaning Of Girl With Bunny Ears Emoticon:

The Emoji Code Vyvyan Evans, 2017-08-01 Drawing from disciplines as diverse as linguistics cognitive science psychology and neuroscience *The Emoji Code* explores how emojis are expanding communication and not ending it For all the handwringing about the imminent death of written language emoji those happy faces and hearts is not taking us backward to the dark ages of illiteracy Every day 41.5 billion texts are sent by one quarter of the world using 6 million emoji Evans argues that these symbols enrich our ability to communicate and allow us to express our emotions and induce empathy ultimately making us all better communicators *The Emoji Code* charts the evolutionary origins of language the social and cultural factors that govern its use change and development as well as what it reveals about the human mind In most communication nonverbal cues are our emotional expression signal our personality and are our attitude toward our addressee They provide the essential means of nuance and are essential to getting our ideas across But in digital communication these cues are missing which can lead to miscommunication The explosion of emojis in recent years has arisen precisely because it fulfills exactly these functions which are essential for communication but are otherwise absent in texts and emails Evans persuasively argues that emoji add tone and an emotional voice and nuance making us more effective communicators in the digital age

Emoji Speak Jieun Kiaer, 2023-05-18 Providing an in depth discussion of emoji use in a global context this volume presents the use of emoji as a hugely important facet of computer mediated communication leading author Jieun Kiaer to coin the term emoji speak Exploring why and how emojis are born and the different ways in which people use them this book highlights the diversity of emoji speak Presenting the results of empirical investigations with participants of British Belgian Chinese French Japanese Jordanian Korean Singaporean and Spanish backgrounds it raises important questions around the complexity of emoji use Though emojis have become ubiquitous their interpretation can be more challenging What is humorous in one region for example might be considered inappropriate or insulting in another Whilst emoji use can speed up our communication we might also question whether they convey our emotions sufficiently Moreover far from belonging to the youth people of all ages now use emoji speak prompting Kiaer to consider the future of our communication in an increasingly digital world
