Measuring Up John Sabatini, Elizabeth Albrow, Tenaha O'Reilly, 2012-06-07 In recent decades the science of reading acquisition has been advancing through interdisciplinary research in cognitive psycholinguistic developmental genetic neuroscience cross language and experimental comparison studies of effective instruction Some of the science of reading has emerged from the theory and research into the realm of practice and policy Yet the science and practice of measuring reading comprehension has remained relatively immune to much of this foundational knowledge *Measuring Up* questions the traditional format of reading comprehension tests typically a single series of questions asked about a series of passages and offers ideas and innovations we might expect in a next generation of 21st century reading assessments Sabatini Albrow and O'Reilly believe that in light of the move towards Common Core State Standards and assessments as well as significant national investments in reading and literacy education it is a critical and opportune time to bring together the research and measurement community to address fundamental issues of measuring reading comprehension both in theory and in practice

Summa Theologiae, Prima Pars: Volume 2, On the Holy Trinity and Creation in General, QQ 27-74 Thomas Aquinas, Thomas de Vio Cajetan, 2023-06-23 When Leo XII promulgated *Aeterni Patris* in 1879 he stipulated that the Leonine or official edition of the *Summa* should always be printed in conjunction with Cajetan's Commentary For five hundred years they were studied together Generations were trained by reading through the *Summa* article by article with Cajetan's commentaries in hand Early printed editions of the *Summa* typically included them in a Talmudic arrangement as marginal text running around each article by Aquinas This edition imitates that example Recently serious thinkers of all denominations and none have found new reasons to be interested in St Thomas His text is deceptively simple yet important issues are handled in every article sometimes below the surface Cajetan extracts these hidden issues and explains and elaborates on them with remarkable affinity to modern analytical philosophy Part of that affinity lies in the use of modal logic a tool whose importance was overlooked between the Renaissance and the twentieth century The time is ripe for an analytically inspired translation of Thomas hence this volume Never until now has Cajetan's Commentary been put into English in its entirety William Marshner's translation is consistent with fidelity to the technical force of the original The translator's footnotes acknowledge what empirical science has made obsolete in the work of St Thomas and also make clear how much today's science would have saved Thomas useless labor This volume will for the first time make Cajetan's help available to the modern reader

Atheism Answered Daniel Horace Fernald, 2008-10 In 2006 Sam Harris made quite a stir with his best selling book Letter to a Christian Nation In that book he identified the Christian faith as the source of a host of evils from Sub Saharan AIDS to the imminent threat of a theocratically directed nuclear Holocaust Dr Daniel Horace Fernald first highlights the numerous gaping holes in Harris presentation and then proceeds to challenge the very basis of Harris thesis that Christian faith is by its very nature opposed to reason science and civil discourse Fernald dispels this twisted caricature of Christians

and their faith by demonstrating that it is actually the atheist worldview that is irrational and that rationality itself is impossible without the God described in the Old and New Testaments Using an approach adapted from presuppositional Christian apologetics Fernald defends the faith and takes the battle to Harris by showing the intellectual and moral emptiness of atheism Dr Daniel Horace Fernald is an accidental Christian conservative He was born in New York City studied French literature at the Sorbonne University of Paris IV and concluded his professional training by earning a Ph D in Philosophy at Atlanta's Emory University From these inauspicious beginnings he found his way to Christ through an odd and circuitous path A former tenured University professor and refugee from the academic asylum he is the author of over 20 scholarly works As a Paris educated New Yorker and adult convert to Christianity he has survived numerous grillings by wary church elders but is none the worse for wear Dr Fernald currently serves as Executive Director of The Christian Lyceum an independent charitable apologetic education and hospitality ministry
