EBOOK: Quantitative Methods for Business and Management Frank Dewhurst, 2006-03-16 The new edition of Quantitative Methods for Business and Management offers a complete introductory course in Quantitative Methods providing students with basic practical experience in quantitative approaches in modelling and analysis for business and management. The book features sections on foundation topics, models for business and management, and modelling and analyzing decisions. In particular, the new edition features greater coverage of statistics to reflect teaching in this area, with chapters on Elementary Statistics, Summary Statistics, and Inferential Statistics. Other new areas of coverage in the second edition include Network Models and Non linear Models. The book retains its popular style, which offers students numerous examples accompanied by clear and straightforward explanations. Excel examples are also integrated throughout to help students to understand how this software tool is used by managers, and frequent questions and exercises enable students to test their understanding. A free CD contains Excel applications and solutions to the exercises in the textbook, and a full online learning centre completes an excellent learning package for business students.

Research Projects for Business & Management Students Siah Hwee Ang, 2021-01-27 This second edition of Research Projects for Business and Management Students provides students undertaking extended research with a foundation upon which to build their practice. The author sets out each stage of a research project systematically to allow you to follow along and build an understanding of the processes involved in carrying out in-depth pieces of research, as well as the functions of commonly used research methods. Conversation boxes throughout will also help situate your learning by providing examples of commonly asked questions, challenges that may occur while you carry out your research, and guidance on how to answer them. Professor Siah Hwee Ang is Professor of International Business and Strategy, inaugural Chair in Business in Asia, and Director of the NZ's Southeast Asia Centre of Asia Pacific Excellence at Victoria University of Wellington, New Zealand.
