*Angel of Love* Lily Amis, 2016-07-18 Isn't it remarkable how just one single person can change your entire life in a positive or negative way Feeling loved by someone who you love unconditionally and unquestioningly is the most beautiful feeling in the world And feeling unloved rejected and ignored by the same person is the most painful heartbreaking and devastating feeling ever it rips your heart out it kills your soul That's how I came up with the idea of the book *Angel of Love* A man who first heated my frozen heart A man who made me fall in love for the very first time A man who became the Angel of Love for my lonely heart A man who filled my frozen heart with love passion and hope A man who became the healing for me for my empty soul turned suddenly and completely unexpectedly into poison for my soul What do you do in a situation like this Especially when the person ignores you completely and you're on a one way communication street I tried to find the perfect suitable song to make him understand how I feel How his rejection was hurting upsetting disappointing and humiliating Million love songs are written around the world and still I couldn't find any lyric that would describe my emotion Even a list with the most sad heartbreaking songs ever was not helpful at all Nothing described my pain So I started to write my own lyrics as a self therapy Looking at them now I guess many readers with an injured heart will agree that my lyrics describe their emotions like no other song lyric before Well I hope you like what you read and some of it if not all of it encourages you in difficult times Enjoy the quotes and the wonderful pictures that my mum Sima has taken *Angel of Love* contains lyrics for readers with an injured heart and open scars 28 Song lyrics Illustrations and quotes inspired by the Short Romance Book *Angel of Love* Lily Zak my sweet inspiration The Song lyric *My Angel of Love* was awarded by the UK Songwriting Contest 2015 with a Commended Entry Certificate and scored 5 from maximum 10 points which indicates that me the lyricist have demonstrated real songwriting ability and understanding
