## **My Hope After Stroke A Testimonial Step Of Faith:**

**My Hope After Stroke** Lynn Bush, 2014-12-08 I thought if my personal story of stroke God and victory could be shared it might bring the light of hope to others in a dark place after a stroke My testimonial tells how God walked beside me and transformed me and my many trials Once I opened my heart to God I became obsessive about writing the book My hope after stroke Through fellowship I hoped to bring inspiration and confidence to stroke survivors like me When you have a relationship with God and church you can experience the wild ride of life you were born to live I spent most of my life doing things my way It could have been so much easier Gods way always works because you are not alone Think and know your victories will help others That is our purpose in life stroke warrior [www myhopeafterstroke net](http://www.myhopeafterstroke.net) **A Stroke of Heaven** Malori Rogers, 2022-12-12 As Malori Rogers finally seemed close to what she had worked toward all her life graduating college getting married and starting a physical therapy career she experiences what she calls a re routing after surviving a hemorrhagic stroke on the volleyball court In A Stroke of Heaven she narrates her story sharing her perspective learned from God s whispering how to find him and his will by seeing life through a spiritual lens With the overarching theme of the importance of faith and family Rogers provides a look into her experience telling how living with a brain injury takes an immense amount of self motivation and discipline every day It s something she never envisioned happening to her but she learned it s possible to have contentment drive purpose and motivation when her world was shattered A Stroke of Heaven offers Christ centered insight an aroma of thanksgiving and praise an encouragement to everyone who faces the trials that come with life and a transparent spirit filled honest testimony to the heavenly father and his powerful nature **Heaven & Hell: From God a Message of Faith** Retha McPherson, Aldo McPherson, 2013-02-19 Message of Faith is the second book co authored by Retha McPherson and her teenage son Aldo It tells of Aldo s miraculous healing and their supernatural journey since a car accident almost claimed Aldo s life in 2004 The book contains journal entries in Aldo s own handwriting wherein he warns the bride of Christ to be ready for the soon arrival of the King During Aldo s coma Jesus took him to heaven and hell Aldo rarely wanted to talk or write about hell Jesus said he had to wait for the right time Retha explains She goes on to say That time is now here He recently told me Jesus said to him Aldo tell My bride BE PREPARED I am coming soon Aldo s letters will open your eyes to the reality of heaven and hell and the implications of your choices here on earth The book explains that the road of dying to self and living in Christ is what purifies the bride and this can only be done if you walk by faith and not by sight believing that God is who He says He is **Christian Science Sentinel** ,1904 *Thank God My Stroke Did Not Lead to Death* Pastor V. Maxine Williams, 2013-08-23 I never paid too much attention about my health I ignored the symptoms for months Thank God for looking out for me and my ignorance I should have paid attention to the constant headaches weariness and constantly feeling tired I was being unreasonable as there were so many days I was drained and worn out I did not have any idea as to why my sugar level stayed elevated I sort of watched the things I was eating I found

out that many things can elevate your sugar level I had deluded myself for a long time It was not until I became chronically ill and then I could tell everyone having a stroke is such a rude awakening It is a sad situation losing your thoughts your mobility and almost losing your life It is so tough realizing you can barely move My story shows how God specializes in anything and everything that has appeared as impossible My life took such a turn as I could not think be in motion or simply talk If you have any rivers you think you cannot cross just tell yourself God specializes as He carries you through Jesus had my entire situation in the palms of His hands As I think back how my family was so torn apart frighten and afraid over how distort things had gotten My right side had become dormant I really needed a great deal of help after the Lord stepped in and showed everyone I would live and not die I vividly was lying from down in that hospital from day to day telling myself Jesus is that perfect answer I laid there almost in a comatose state I was able to think if we have any mountains that we think cannot climb Jesus will pick you up and enable you to do what seems is without a solution any particular situation regardless to what it is He will help us to climb this mountain He did it for me and He will do it for anyone who asks for help My situation of having a stroke was so graphic My entire family was so devastated I was one who was so energetic preaching teaching running and working through the community I stayed busy trying to help others rather than really taking good care of myself Thank God for looking out for me because I had been deceived mentally I am working hard to get better I can tell somebody God does specialize in anything that has presented itself to impossible The Gospel Message ,1917 **Wethair** Phil Scott,2017-02-21 WETHAIR is a departure from the traditional elementary level what we believe studies for new Christ followers It is a relational conversation between a new believer and a seasoned believer who has shared in the process of helping thousands of new believers get traction for their journey Many new believers feel overwhelmed find themselves easily distracted or sadly duped into shallow promises of success WETHAIR will toughen you equip you and motivate you to never give up Though in Christ we are forgiven and adopted into the family of God we will experience wilderness and dark nights of the soul We will need guidelines in order to examine our lives without being beaten down by regrets We will learn to shape our testimony as we see God continuing to work in our life We will evaluate our visible and invisible habits We will discover how much urgency and energy we are applying to our appetites We will pursue new avenues for getting involved so that our service makes our faith real and we will wrap these steps together with daily relentless restlessness Never lose your Wethair **The New Evangelical Magazine, and Theological Review** ,1824 **Universalist Union** ,1836 The Holy Bible ,1861 **The Literary Gazette and Journal of Belles Lettres, Arts, Sciences, &c** ,1837 *The Weekly Christian Teacher* ,1839 **Secular World and Social Economist** George Jacob Holyoake,1856 *The History of the Fleet Street House 20 p at the end of v 18* **The Reasoner** ,1855 **The Friends' Library** William Evans,Thomas Evans,1847 **Calvinistic Family Library** ,1836 The Literary Gazette and Journal of the Belles Lettres, Arts, Sciences, &c ,1837 Izram, a Mexican tale.
