Overruled Emma Chase, 2015-04-28 Emma Chase New York Times bestselling author of the Tangled series returns with the first installment of the Legal Briefs series A Washington DC defense attorney Stanton Shaw keeps his head cool his questions sharp and his arguments irrefutable They don't call him the Jury Charmer for nothing with his southern drawl disarming smile and captivating green eyes he's a hard man to say no to Men want to be him and women want to be thoroughly cross examined by him Stanton's a man with a plan And for a while life was going according to that plan Until the day he receives an invitation to the wedding of his high school sweetheart the mother of his beloved ten year old daughter Jenny is getting married to someone who isn't him That's definitely not part of the plan Sofia Santos is a city raised no nonsense litigator who plans to become the most revered criminal defense attorney in the country She doesn't have time for relationships or distractions But when Stanton her friend with mind blowing benefits begs her for help she finds herself out

of her element out of her depth and obviously out of her mind Because she agrees to go with him to The Middle Of Nowhere Mississippi to do all she can to help Stanton win back the woman he loves Her head tells her she s crazy and her heart says something else entirely What happens when you mix a one stop light town two professional arguers a homecoming queen four big brothers some Jimmy Dean sausage and a gun toting Nana The Bourbon flows passions rise and even the best laid plans get overruled by the desires of the heart

The Chosen We Rachelle Winkle-Wagner,2023-12-01 The Chosen We elevates the oral histories of 105 accomplished college educated Black women who earned success despite experiencing reprehensible racist and sexist barriers The central argument is that these women succeeded in and beyond college by developing a Chosen We a community with one another The book builds on their words and insights to offer a powerful rethinking of educational success that moves away from individualistic and competitive models and instead imagines success as a result of recognizing what people owe to one another It also uncovers the importance of the type of institutions that students attend for higher education comparing Black women s experiences not only by region and era but also by whether they attended a predominantly White institution PWI or a historically Black college or university HBCU The Chosen We features theoretical and methodological exemplars for how to conduct research across lines of difference The Black women s oral histories shared here manifest the wisdom from which many groups in the United States might benefit that liberation is only found through community
