The Scary Version for Christians Ronald F. Peters, 2023-08-16 Christians need to pay attention to God now This book is about the resurrection of the dead the day of judgment the basics of salvation heaven and hell and what the future holds for Christians and non Christians alike This book also seeks to debunk what the author regards as false theologies such as the rapture church ritual church function and replace such thinking with theology that more accurately reflects what the Bible has to say The provocative questions raised in this book are strengthened with reliance on Bible passages to substantiate every point Most Christians are not teachable Everyone must ask themselves am I teachable Will I let the Holy Spirit guide me into all truth Do I actually believe the entire Bible On the last day what will King Jesus do if I didn't believe his Bible We are on the brink of major change Our lives will change This book is written for Christians to prepare **Fearful Hope** Christopher Kleinhenz, Fannie LeMoine, 1999 From disaster movies to cult movements apocalyptic images surround us as we mark the end of the current millennium Fearful Hope Approaching the New Millennium provides a wide range of essays probing the meaning and significance of millennial expectations and apocalyptic visions From John J Collins's essay on the sense of ending in pre-Christian Judaism to Paul Boyer's discussion of apocalyptic fears and foreboding in the 20th century Fearful Hope explores the apocalyptic in both religion and secular culture discussing biblical prophets medieval manuscripts cult movements and even the current obsession with conspiracy in television shows like The X Files Finally Archbishop Rembert Weakland and Bishop Johannes Hempel stress the importance of maintaining hope in our own age A Dictionary of the English Language Samuel Johnson, 1827 *Scary Old Sex* Arlene Heyman, 2017-02-07 The acclaimed debut collection of short stories by practicing psychiatrist Arlene Heyman a work of bliss that lifts right off the page Dwight Garner NYT A woman goes about certain rituals of sex with her second husband sharing the bed with the ghosts of her sexual past A beautiful young art student embarks on an affair with a much older married famous artist A middle-aged woman struggles with the decline of her mother once glamorous and still commanding their fraught relationship causes unexpected feelings both shaming and brutal A man finds that his father has died while in the midst of extra-marital sex and wonders what he should do with the body And a boy sits in his Calculus class fantasizing about a schoolmate's breasts and worrying about his father lying in hospital as outside his classroom window the Twin Towers begin to fall In this stunning taboo-breaking debut Arlene Heyman a practicing psychiatrist gives us what really goes on in people's minds relationships and beds Raw tender funny truthful and often shocking Scary Old Sex is a fierce exploration of the chaos and beauty of life **Abuse, Power and Fearful Obedience** Jennifer G. Bird, 2013-05-01 Jennifer G Bird analyzes the construction of wives' subjectivity in 1 Peter working primarily with what is referred to as the Haustafel household code section and engaging feminist critical questions postcolonial theory and materialist theory in her analysis Bird examines the two crucial labels for understanding Petrine Christian identity aliens and refugees and royal priesthood and holy nation And finds them to stand in stark contrast with the

commands and identity given to wives in the Haustafel section Similarly the command to honour the Emperor which immediately precedes the Haustafel engenders a rich discussion of the text's socio political implications The critical engagement of several symptomatic irruptions within the commands to the wives uncovers the abusive dynamic underlying this section of the letter Finally Bird considers the present day implications of her study Publisher description **A Covert from the Storm. Or, The Fearful Encouraged in Times of Suffering ...** Nathanael Vincent,1671 **SCARY ROBOTS** Lawrence J. Terlizese,2020-09-20 Technophobia causes us to reflect to stop and ask what for Why are we doing this and could there be negative consequences to our actions Technophobia is not anti technology if we are honest no one is really anti technology that would be a rejection of life itself But neither does technophobia give the green light to all things technical An altogether too common position these days is to accept technology as manna from heaven as if just the very use of it will inherently lead us in the right direction All use is good use Technophobia does not allow us such an easy conscience
