Special Interest Tourism Sheela Agarwal, Graham Busby, Rong Huang, 2018-01-24 Special interest tourism is growing rapidly due to a discerning and heterogeneous travel market and the demand for more focused activity or interest based tourism experiences This book approaches the topic from the perspective of both supply and demand and addresses the complexities now inherent in this area of tourism It presents a contextualised overview of contemporary academic research concepts principles and industry based practice insights and also considers the future of special interest tourism in light of the emergence of ethical consumerism Sometimes referred to as niche or contemporary tourism this book provides a complete introduction to the study of special interest tourism for students *Spain Travel Guide 2025* T Turner, Beyond Sightseeing Connect with the Authentic Soul of Spain Do you travel to merely check destinations off a list or do you seek a deeper connection a genuine understanding of the places you visit Spain with its millennia of history its fiercely distinct regional identities and its profound cultural richness offers an unparalleled opportunity for immersive travel Yet many visitors barely scratch the surface experiencing a sanitized version curated for tourists missing the subtle nuances the local perspectives and the living history that make Spain so utterly captivating Generic guides might point you to the famous landmarks but they rarely explain the why the complex history that shaped the Mezquita Cathedral of Cordoba the cultural significance behind the passionate steps of flamenco the deep seated pride reflected in the Catalan or Basque languages or the unwritten rules of navigating a bustling tapas bar like a local Traveling without this context can leave you feeling like an outsider looking in missing the chance to truly connect with the heart of Spanish life Your Passport to Viva España is your invitation to journey deeper This guide is crafted for the curious traveler who seeks more than just photo opportunities It is designed to be your key to cultural fluency providing the context insights and understanding needed to appreciate the real Spain in all its fascinating complexity We believe that understanding the culture is essential to truly experiencing the destination Explore Spain through a richer lens Unraveling the Layers of History Understand the indelible marks left by Romans Visigoths Moors the Reconquista the Golden Age and modern history seeing how they manifest in the architecture art cuisine and psyche of Spain today Navigating Regional Diversity Delve into the distinct cultures languages Castilian Catalan Basque Galician traditions and even temperaments of Spain's diverse regions Appreciate why Spain is often called a nation of nations Decoding Daily Life we explain their significance sharing the stories and context that bring places like the Alhambra the Prado Museum or the Camino de Santiago to life Food as Culture Understand the regional specialties beyond tapas the rituals surrounding meals the importance of local ingredients and how food connects communities While packed with practical advice on transport accommodation and planning the heart of this guide lies in fostering a genuine connection It is about equipping you with the knowledge to appreciate the subtleties engage respectfully and experience Spain not just as a tourist but as an informed and sensitive explorer If you yearn to understand the soul behind the scenery to connect with the

people beyond the service counter and to return home with more than just souvenirs then Your Passport to Viva Espa a is your essential companion Journey deeper **Serving Library Users from Asia** John Hickok,2019-06-12 Asian populations are among some of the fastest growing cultural groups in the US While books on serving other target groups in libraries have been published e g disabled Latino seniors etc few books on serving library users of Asian heritage have been written Thus the timely need for this book Rather than a generalized overview of Asians as a whole this book has 24 separate chapters each on 24 specific Asian countries cultures of East Southeast and South Asia with a wealth of resources for understanding interacting with outreaching to and serving library users of each culture Resources include cultural guides both print and online language helps with sample library vocabulary Asian booksellers nationwide cultural groups professional literature and more Resources and suggestions are given for all three types of libraries public school and academic making this book valuable for all librarians The demographics of each Asian culture numbers and distribution plus history of immigration and international student enrollment is also featured As a bonus each chapter spotlights a US public school and academic library providing model outreach to Asian library users Additionally this book provides a detailed description and analysis of libraries in each of the 24 Asian countries The history development facilities conditions technology classification systems and more of public school and academic libraries are all discussed with detailed documentation Country conditions influencing libraries and library use are also described literacy levels reading cultures languages and writing systems educational systems and more Based on the author s 15 years of research and travels to Asia this work is a must have for all librarians

Happy Holidays--Animated! William D. Crump,2019-03-11 Since the early 20th century animated Christmas cartoons have brightened the holiday season around the world first in theaters then on television From devotional portrayals of the Nativity to Santa battling villains and monsters this encyclopedia catalogs more than 1 800 international Christmas themed cartoons and others with year end themes of Hanukkah Kwanzaa and the New Year Explore beloved television specials such as A Charlie Brown Christmas theatrical shorts such as Santa s Workshop holiday episodes from animated television series like American Dad and The Simpsons feature films like The Nutcracker Prince and obscure productions such as The Insects Christmas along with numerous adaptations and parodies of such classics as A Christmas Carol and Twas the Night before Christmas *Biomarkers and early warning scores: The time for highprecision emergency medicine* Francisco Martín-Rodríguez,Ancor Sanz-Garcia,Raúl López-Izquierdo,2024-01-19 *The Deplorables' Guide to Making America Great Again* Todd Starnes,2017-02-07 Winning was just the beginning Change may start at the White House but it finishes at your house In The Deplorables Guide to Making America Great Again Fox News Radio host Todd Starnes reports from the front lines of the culture war in America and provides insights on what you can do to bring about real and lasting change in our nation We ve told Washington enough is enough and we want to change the course of the country President Obama called us bitter Hillary Clinton called us irredeemable The mainstream media called us backwater bigots We were mocked by

Hollywood and dismissed by academics We were marginalized by the media bullied and belittled by sex and gender revolutionaries With the election of Donald Trump the American people have spoken *Reducing Inequalities in Europe* Daniel Vaughan-Whitehead,2018-04-27 International debate has recently focused on increased inequalities and the adverse effects they may have on both social and economic developments Income inequality now at its highest level for the past half century may not only undermine the sustainability of European social policy but also put at risk Europe's sustainable recovery A common feature of recent reports on inequality ILO OECD IMF 2015 17 is their recognition that the causes emerge from mechanisms in the world of work The purpose of this book is to investigate the possible role of industrial relations and labour policies more generally in reducing these inequalities **How Christmas Became Christmas**

Nathaniel Parry,2022-11-10 In some respects the contrasts of Christmas are what make it the most delightful time of the year It is a time of generosity kindness and peace on earth with broad permission to indulge in food drink and gifts On the other hand Christmas has become a battleground for raging culture wars marred by debates about how it should be celebrated and acknowledged as a uniquely Christian holiday This text argues that much of the animosity is based on a fundamental misunderstanding of the holiday's core character By tracing Christmas's origins as a pagan celebration of the winter solstice and its development in Europe's Christianization this history explains that the true reason for the season has as much to do with the earth's movement around the sun as with the birth of Christ Chapters chronicle how Christmas's magic and misrule link to the nativity and why the carnival side of the holiday appears so separated from traditional Christian beliefs
