Hollow Gods Volume 1:

The Hollow Gods A. J. Vrana, 2020-07-28 Black Hollow is a town with a dark secret For centuries residents have foretold the return of the Dreamwalker an ominous figure from local folklore said to lure young women into the woods and possess them Yet the boundary between fact and fable is blurred by a troubling statistic occasionally women do go missing And after they return they almost always end up dead When Kai wakes up next to the lifeless body of a recently missing girl his memory blank he struggles to clear his already threadbare conscience Miya a floundering university student experiences signs that she may be the Dreamwalker s next victim Can she trust Kai as their paths collide or does he herald her demise And after losing a young patient crestfallen oncologist Mason embarks on a quest to debunk the town s superstitions only to find his sanity tested A maelstrom of ancient grudges forgotten traumas and deadly secrets loom in the foggy forests of Black Hollow Can three unlikely heroes put aside their fears and unite to confront a centuries old evil Will they uncover the truth behind the fable or will the cycle repeat

A New Witness for God (Vol. 1-3) B. H. Roberts, 2020-08-03 A New Witness for God is a three volume treatise by B H Roberts one of the leaders in the Church of Jesus Christ of Latter day Saints who wrote this work as a recapitulation of 75 years of the existence of Mormonism and Mormon Church The author s purpose was to prove that the world was in need of a new God s witness and that Joseph Smith a great modern prophet was that witness Dividing the work in thesis he firstly proves that the world was in necessity of a New Witness then moves on to the state of the Christian church and how it was destroyed and there was an apostasy from the Christian religion third thesis deals with the Scriptures declaring that the Gospel will be restored to the Earth final thesis suggest that Joseph Smith is the New Witness for God who re established the Church of Jesus Christ on Earth Following these theses is the study of the Book of Mormon

The God of the Bible Vol. 1 Rev. Leo Kuykendall, 2019-05-01 This book will let you see God in all his attributes his greatness his holiness his love his forgiveness his power and his judgment

Ten Ways to Weave the World: Matter, Mind, and God, Volume 1 Ross Thompson, 2022-12-20 The idea of an ideological war between science and religion Thompson argues is founded on a mistake But this does not mean that there is nothing at stake For behind the ill conceived conflict lie complex issues about the nature of mind consciousness experience subjectivity quality value and the like all of which need to be disentangled and assessed in their own right Outgrowing Materialism leads the reader through a sequence of five Worlds each of which offers a distinct way of understanding or failing to understand these issues and where God might belong or not Writing accessibly but with a sharp eye for detail Thompson sheds new light on the familiar territory of materialism dualism and structural realism and evaluates the growing attraction of the multiverse He argues that dualism mechanized the material world then materialism exorcised the mental ghost from the machine and finally this machine is evaporating into pure mathematics Outgrowing Materialism is half of Ten Ways to Weave the World Matter Mind and God The sequel Embodying Mind discusses five Worlds that precede and follow those discussed here However Outgrowing Materialism

stands in its own right as a critique of the modern science v religion dilemma **For the Love of God (Vol. 1)** D. A. Carson, 2006-07-10 In a world that views absolute truth right and wrong and salvation as being subject to individual interpretation the Bible's unwavering proclamations and miraculous stories seem obsolete in modern times But it is not God's Word that has changed Indeed its relevancy and its power to transform lives are intact What has changed is the number of people who consult it Now more than ever the need to read the Bible to understand the big picture of its storyline and to grasp the relevance this has for your life is critical As with its companion volume For the Love of God Volume 2 this devotional contains a systematic 365 day plan based on the M Cheyne Bible reading schedule that will in the course of a year guide you through the New Testament and Psalms twice and the rest of the Old Testament once In an effort to help preserve biblical thinking and living D A Carson has also written thought provoking comments and reflections regarding each day's scriptural passages And most uniquely he offers you perspective that places each reading into the larger framework of history and God's eternal plan to deepen your understanding of his sovereignty and the unity and power of his Word **The Existence and Attributes of God Vol. 1** Stephen Charnock, 2023-12-01 The Existence and Attributes of God is a significant theological book written in the 17th century by Stephen Charnock a Puritan preacher and theologian This edition of The Existence and Attributes of God Vol 1 is both current and legible with an eye catching new cover and professionally typeset manuscript Some stories are gruesome and bizarre while others softly creep up on you and pull you in This massive dissertation is divided into two parts with each volume delving into essential aspects of God's nature and qualities In the first volume Charnock conducts a thorough analysis of God's existence To establish the existence of an all powerful everlasting and transcendent Creator he digs into philosophical arguments historical viewpoints and scripture allusions The thorough examination of Charnock addresses problems about the origin of the universe and the requirement of a divine person Throughout the book Charnock's language is distinguished by a great reverence for God and a commitment to logical religion investigation He provides theological arguments in a systematic and logical manner that is understandable to both intellectuals and laypeople [A New Witness for God Volume 1 \(of 3\)](#) Brigham Henry Roberts, 2014-12-02 Example in this ebook Three quarters of a century have passed away since Joseph Smith first declared that he had received a revelation from God From that revelation and others that followed there has sprung into existence what men call a new religion Mormonism and a new church the institution commonly known as the Mormon Church the proper name of which however is THE CHURCH OF JESUS CHRIST OF LATTER DAY SAINTS Though it may seem a small matter the reader should know that Mormonism is not a new religion Those who accept it do not so regard it it makes no such pretensions The institution commonly called the Mormon Church is not a new church it makes no such pretensions as will be seen by its very name the Church of Jesus Christ of Latter day Saints This of itself discloses what The Mormon Church claims to be the Church of Jesus Christ and to distinguish it from the Church of Jesus Christ that existed in former days the phrase of Latter day Saints is

added Mormonism I repeat is not a new religion it is the Old Religion the Everlasting Gospel restored again to the earth through the revelations received by Joseph Smith At a glance the reader will observe that these claims in behalf of Mormonism pre suppose the destruction of the primitive Christian Church a complete apostasy from the Christian religion and hence from the standpoint of a believer Mormonism is the Gospel of Jesus Christ restored and the institution which grows out of it the church is the Church of Jesus Christ re established among men During the three quarters of a century that have elapsed since the first revelation was announced by Joseph Smith the world has been flooded with all manner of rumors concerning the origin of Mormonism its doctrines its organization its purposes its history Books enough to make a respectable library as to size have been written on these subjects but the books in the main are the works of avowed enemies or of sensational writers who chose Mormonism for a subject because in it they supposed they had a theme that would be agreeable to their own vicious tastes and perverted talents and give satisfactory returns in money for their labor This latter class of writers have not only written without regard to truth but without shame They are ghouls who have preyed upon the misfortunes of an unpopular people solely for the money or notoriety they could make out of the enterprise That I may not be thought to overstate the unreliability of anti Mormon literature I make an excerpt from a book written by Mr Phil Robinson called Sinners and Saints Mr Robinson came to Utah in 1882 as a special correspondent of The New York World and stayed in Utah some five or six months making Mormonism and the Latter day Saints a special study On the untrustworthiness of the literature in question he says Whence have the public derived their opinions about Mormonism From anti Mormons only I have ransacked the literature of the subject and yet I really could not tell anyone where to go for an impartial book about Mormonism later in date than Burton s City of the Saints published in 1862 But put Burton on one side and I think I can defy any one to name another book about the Mormons worthy of honest respect From that truly awful book The History of the Saints published by one Bennett even an anti Mormon has styled him the greatest rascal that ever came to the West in 1842 down to Stenhouse s in 1873 there is not to my knowledge a single Gentile work before the public that is not utterly unreliable from its distortion of facts Yet it is from these books for there are no others that the American public has acquired nearly all its ideas about the people of Utah To be continue in this ebook *Tao: The Three Treasures, Vol 1*
