and overhaul of all major and minor mechanical and electrical components It also includes a comprehensive troubleshooting  
section plus tables of technical data tolerances and fits making it an invaluable resource for collectors and restorers of these  
classic Honda motorcycles There are 55 illustrations and each procedure is explained in a step by step method using an  
appropriate illustration The translation from Japanese to English is at times a little quirky but the illustrations make up for  
any difficulty in understanding what needs to be done There are separate sections that deal with the repair and overhaul  
procedures for the engine transmission wheels and brakes front forks frame and carburetor plus a detailed electrical service  
section This is a must have reference for any Honda enthusiast and would certainly assist in helping any potential purchaser  
better understand the inner workings prior to purchasing one of these classic motorcycles Out of print and unavailable for  
many years this book is highly sought after on the secondary market and we are pleased to be able to offer this reproduction
