

## HOW TO USE THIS MANUAL

This general manual describes the service procedures for the **ATV/SCOOTER/BOAT/BIKE**.

Follow the Maintenance Schedule (Section 4) recommendations to ensure that the personal watercraft is in peak operating condition.

Performing the first scheduled maintenance is very important. It is recommended for the initial year that owners during the break-in period.

Sections 1, 4 and 5 apply to the whole personal watercraft. Section 2 describes procedures for disassembly/reassembly of components that may be required for perform service described in the following sections. Section 3 through 10 describe parts of the personal watercraft, grouped according to location.

Find the section you want on this page. Then turn to the table of contents on the first page of this section.

Most sections start with an assembly or system description, service information and troubleshooting for the section. The subsequent pages give detailed procedures.

If you are not familiar with this personal watercraft, read Technical Features in Section 2.

If you do not know the cause of certain trouble, go to section 11 Troubleshooting.

Your safety, and the safety of others, is very important. To help you make informed decisions we have provided safety messages and other information throughout this manual. Of course, it is not practical to provide to warn you about all the hazards associated with servicing this vehicle.

You must use your own good judgement.

We put the most important safety information in a variety of forms including:

- Safety Labels – on the vehicle.
- Safety Messages – provided by a safety alert symbol, **DANGER**, **WARNING**, or **CAUTION** with signal words.

### **DANGER**
