

Business Case for My Fashion Neckties

Problem The fashion industry has experienced a serious shortage of new designs and styles, especially in the necktie market. This is due to the fact that the industry has been dominated by a few large companies that have been reluctant to invest in research and development. This has led to a lack of innovation and a decline in the quality of neckties. The industry needs to find a way to create new designs and styles that will attract customers and increase sales.

Investigation

in 20

The first step in the investigation was to identify the current market for neckties. This was done by researching the current market and identifying the key players. The next step was to identify the reasons for the shortage of new designs and styles. This was done by interviewing industry experts and conducting a survey of customers. The results of the investigation showed that the main reason for the shortage of new designs and styles was the lack of investment in research and development. The industry needs to find a way to create new designs and styles that will attract customers and increase sales.

The next step in the investigation was to identify the potential solutions to the problem. This was done by researching the current market and identifying the key players.
