Clearinghouse Review, 2000 *Helping Parents Work and Children Succeed* Helen Blank, 1997 **Grandmothering While Black** LaShawnDa L. Pittman, 2023-05-02 In *Grandmothering While Black* sociologist LaShawnDa L Pittman explores the complex lives of Black grandmothers raising their grandchildren in skipped generation households consisting only of grandparents and grandchildren She prioritizes the voices of Black grandmothers through in depth interviews and ethnographic research at various sites doctor s visits welfare offices school and day care center appointments caseworker meetings and more Through careful examination she explores the various forces that compel constrain and support Black grandmothers caregiving Pittman showcases a fundamental change in the relationship between grandmother and grandchild as grandmothers confront the paradox of fulfilling the social and legal functions of motherhood without the legal rights of the role *Grandmothering While Black* illuminates the strategies used by grandmothers to manage their legal marginalization vis vis parents and the state across a range of caregiving arrangements In doing so it reveals the overwhelming and painful decisions Black grandmothers must make to ensure the safety and well being of the next generation **State of Empowerment** Carolyn Barnes, 2020-02-21 On weekday afternoons dismissal bells signal not just the end of the school day but also the beginning of another important activity the federally funded after school programs that offer tutoring homework help and basic supervision to millions of American children Nearly one in four low income families enroll a child in an after school program Beyond sharpening students math and reading skills these programs also have a profound impact on parents In a surprising turn especially given the long history of social policies that leave recipients feeling policed distrusted and alienated government funded after school programs have quietly become powerful forces for political and civic engagement by shifting power away from bureaucrats and putting it back into the hands of parents In *State of Empowerment* Carolyn Barnes uses ethnographic accounts of three organizations to reveal how interacting with government funded after school programs can enhance the civic and political lives of low income citizens *From Welfare to Childcare* Natasha Cabrera, Robert Hutchens, H. Elizabeth Peters, 2013-04-15 Although federal and state support for childcare has increased dramatically in response to welfare work requirements low income families are still facing difficulties balancing work and family obligations There is wide variation across states in the strictness of welfare work requirements and in the generosity of childcare support In addition the level of co payments required and the flexibility to use subsidies for informal modes of childcare differ across states leading families to make different childcare and employment choices The purpose of *From Welfare to Childcare* is first to describe what changes occurred in childcare following the 1996 welfare reform legislation and then to analyze how federal welfare and subsidy policies influence the availability accessibility and quality of childcare arrangements for single mothers with young children National in scope it focuses on how the reforms influence the way that children are cared for when their mothers leave welfare and enter the workforce This book is suitable for national state and

local policymakers non profit organizations that study and attempt to influence public policy and scholars interested in family and social policy issues It can be used as a text in graduate level courses on welfare poverty and children and public policy
