## **Japan S Multilayered Democracy New Studies In Modern Japan:**

*Japan's Multilayered Democracy* Sigal Ben-Rafael Galanti, Alon Levkowitz, Nissim Otmazgin, 2014-12-24 This book introduces a multilayered approach to the study of democracy combining specific knowledge of Japan with theoretical insights from the literature on democratization It examines different aspects of Japanese democracy historical institutional and sociocultural to provide a conscious understanding of the nature and practice of democracy both in Japan and beyond The book s chapters give testimony to the dynamic nature and continuity of Japanese democracy and analyze its strengths and weaknesses The central argument of this book is that Japan s democratization should be seen as a multilayered experience shaped by the gradual process of absorbing democratic ideas forming democratic institutions and practicing democratic behaviors and rituals at various levels of society As the case of Japan shows democracy is neither a structured formula nor only a set of democratic laws and institutions but a continuous gradual process

**Single Mothers in Contemporary Japan** Aya Ezawa, 2016-05-12 Combining work and family remains a major challenge for married women in contemporary Japan and it s not uncommon for them to quit working when starting a family Single mothers by contrast almost always work regardless of the age of their children Despite their eagerness to support themselves and their children through employment their average income remains low and many live on a household budget close to the poverty line This book examines how the difficult living conditions facing single mothers in Japan highlight not only the challenges they face in earning a family wage and managing the work family balance but also reveals the class dimensions of family life in contemporary Japan The need to make ends meet with few resources means that mothers may find it difficult to uphold the lifestyle they may consider as most appropriate for the upbringing of their children and that they may have to choose between their presence at home in line with the ideal of the middle class housewife and mother or devoting more time to earning an income that can pay for a good education Social class in this case is not just a matter of education occupation or income but is also expressed by mothers approaches to their children s upbringing and future opportunities in education and employment Based on life history interviews with single mothers this study examines the gendered meanings of social class and social achievement and the role of maternal practices in shaping their children s future life trajectories

**Living Transnationally between Japan and Brazil** Sarah A. LeBaron von Baeyer, 2019-11-29 Based on over two years of participant observation in labor brokerage firms factories schools churches and people s homes in Japan and Brazil Sarah LeBaron von Baeyer presents an ethnographic portrait of what it means in practice to live transnationally that is to contend with the social institutional and aspirational landscapes bridging different national settings Rather than view Japanese Brazilian labor migrants and their families as somehow lost or caught between cultures she demonstrates how they in fact find creative and flexible ways of belonging to multiple places at once At the same time the author pays close attention to the various constraints and possibilities that people face as they navigate other dimensions of their lives besides ethnic or

national identity namely family gender class age work education and religion      Rethinking Japan Arthur Stockwin, Kweku Ampiah, 2017-02-15 The authors argue that with the election of the Abe Government in December 2012 Japanese politics has entered a radically new phase they describe as the 2012 Political System The system began with the return to power of the Liberal Democratic Party LDP after three years in opposition but in a much stronger electoral position than previous LDP based administrations in earlier decades Moreover with the decline of previously endemic intra party factionalism the LDP has united around an essentially nationalist agenda never absent from the party's ranks but in the past was generally blocked or modified by factions of more liberal persuasion Opposition weakness following the severe defeat of the Democratic Party of Japan DPJ administration in 2012 has also enabled the Abe Government to establish a political stability largely lacking since the 1990s The first four chapters deal with Japanese political development since 1945 and factors leading to the emergence of Abe Shinz as Prime Minister in 2012 Chapter 5 examines the Abe Government's flagship economic policy dubbed Abenomics The authors then analyse four highly controversial objectives promoted by the Abe Government revision of the 1947 Peace Constitution the introduction of a Secrecy Law historical revision national identity and issues of war apology and revised constitutional interpretation permitting collective defence In the final three chapters they turn to foreign policy first examining relations with China Russia and the two Koreas second Japan and the wider world including public diplomacy economic relations and overseas development aid and finally the vexed question of how far Japanese policies are as reactive to foreign pressure In the Conclusion the authors ask how far right wing trends in Japan exhibit common causality with shifts to the right in the United States Europe and elsewhere They argue that although in Japan immigration has been a relatively minor factor economic stagnation demographic decline a sense of regional insecurity in the face of challenges from China and North Korea and widening gaps in life chances bear comparison with trends elsewhere Nevertheless they maintain that a more sane regional future may be possible in East Asia      Japan Viewed from Interdisciplinary Perspectives Yoneyuki Sugita, 2015-10-29 The growth rate of the Gross Domestic Product GDP in the Asia Pacific region greatly surpasses the world average When the Trans Pacific Partnership TPP is better realized then the world's largest free trade zone will be firmly established It seems that this region has a very rosy outlook indeed however this region also faces a large number of serious problems such as atomic energy in Japan conflicts about East Asian regional integration the decline of the Japanese Official Development Assistance ODA and the TPP's possible impact on the Japanese universal health insurance system We now face a possible Sino Japanese military conflict concerning the Senkaku Islands or Diaoyutai Islands In short the Asia Pacific region has both a rosy future and the potential influence from unstable and dangerous elements at work within the region at present The main purpose of this book is to analyze historical development whilst looking at the contemporary situation of Japan from interdisciplinary perspectives This book asks three major questions 1 Is this really globalization 2 What are Japan's relations with other Asian countries 3 Do U S Japan relations still matter Fourteen leading scholars in their fields answer these

questions from interdisciplinary perspectives      *Traveling Texts and the Work of Afro-Japanese Cultural Production* William H. Bridges IV, Nina Cornyetz, 2015-06-24 *Traveling Texts and the Work of Afro Japanese Cultural Production* analyzes the complex conversations taking place in texts of all sorts traveling between Africans African Diasporas and Japanese across disciplinary geographic racial ethnic linguistic and cultural borders Be it focused on the make up of the blackface ganguro or the haiku of Richard Wright Rastafari communities in Japan or the black enka singer Jero the volume turns its attention away from questions of representation to ones concerning the generative aspects of transcultural production The contributors are interested primarily in texts in motion the contradictory motion within texts the traveling of texts and the action that such kinetic energy inspires in readers viewers listeners and travelers As our texts travel and travail the originary nodal points that anchor them to set significations loosen and are transformed the essays trace how in the process of traveling the bodies and subjectivities of those working to reimagine the text s in new sites moderate accommodate and transfigure both the texts and themselves      *Creating Japan's Ground Self-Defense Force, 1945-2015* David Hunter-Chester, 2016-11-30 *Creating Japan's Ground Self Defense Force 1945 2015* is a timely contribution to postwar Japan security studies It is the first comprehensive account of Japan's post 1945 army including a comprehensive institutional history together with the evolution of roles and missions and the adoption of successive professional identities The organizational history is embedded within a thorough examination of Japan's own defense policy as well as of America's policy of alliance with Japan The book examines and challenges assumptions about the drafting and adoption of the War Renunciation clause of Japan's postwar Peace Constitution Article 9 which uniquely not only renounces war but the arms to wage war Thus Japan's army is not called an army but the Ground Self Defense Force GSDF The work also examines the place of an army and soldiers in the formation of Japan's national identity after its last devastating war and explores the impact of constitutional legal and policy restrictions as well as the power of the legacy of the still largely vilified Imperial Japanese Army on GSDF members who seek to serve because there are people we want to protect The study is rounded by an examination of the place of soldiers in Japan's popular culture focused on movies manga and anime assessing the impact on the GSDF of a public imagination that most often ignores or villainizes soldiers though ending with a note that some positive images of soldiers and of the GSDF members themselves have started to appear in the last few years The book's author a retired U S Army soldier who spent more than twenty years working studying and training with the GSDF offers a broad ranging exploration of a unique organization This work is extensively researched using English and Japanese sources and will appeal to anyone interested in Japanese security studies alliance studies and military imagery in Japanese pop culture as well as to students of military history international security international relations and cultural identity      *Multilevel Democracy* Jefferey M. Sellers, Anders Lidström, Yooil Bae, 2020-03-05 Explores ways to make democracy work better with particular focus on the integral role of local institutions      *Contemporary Japanese Politics and Anxiety Over Governance* Ken'ichi Ikeda, 2022-12-30

This book is an integrated examination of Japanese politics in the first two decades of the 21st century as viewed from the perspective of anxiety over governance. By empirically highlighting the social, environmental, political, environmental, and sociocultural changes that have underlined the long-term political participation and voting behavior of Japanese citizens, the book provides deep insight into how modern democracies function and are perceived in post-industrial societies and reveals the specific processes by which Japanese politics have changed. Additionally, the book provides an analysis of the decline in social capital, the shrinking variety of political parties, and the intermingling of Asian values with liberal democratic values. By examining anxiety over governance, the chapters explore the links between anxiety and Japanese political behavior, revealing that despite the high regard for democratic politics, Japanese citizens generally experienced a high level of anxiety and negative evaluation of the government, including countermeasures against COVID-19. Featuring surveys of Japanese political behavior over a period of more than 40 years, this book will be valuable reading for students and scholars of Japanese Politics, Political Behavior, and Psychology. The introduction, chapter 4, and chapter 5 of this book are freely available as a downloadable Open Access PDFs at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non-Commercial No Derivatives CC BY-NC-ND 4.0 license.

*Social Networks and Japanese Democracy* Ken'ichi Ikeda, Sean Richey, 2012-06-12

Many who critique democracy as practiced in East Asia suggest that the Confucian political culture of these nations prevents democracy from being the robust participatory type and limits it to a spectacle designed to create obedience from the public. Certainly, some East Asian nations have had elections for decades, but democracy is far more than periodic elections. For democracy to be meaningful, a country needs an active public sphere, political tolerance, egalitarian beliefs, and vigorous political participation. The Asian values debate focuses on whether the creation of this optimal version of democracy in East Asian nations will be hindered by their shared Confucian cultural heritage, and at the center of this debate is whether there is an active political culture in East Asia that allows citizens to freely discuss, debate, and disagree about politics. With Japan as its focus, this book examines the role of social networks and political discussion in Japanese political culture and asks whether discursive participatory democracy is indeed possible in East Asia. In order to answer this question, the authors undertook the largest academic political survey ever conducted in Japan to give the book exceptional empirical credence. This data reveals how the Japanese people interact politically, concluding that through the powerful influence of social networks on Japanese political behavior, Japan has a more globalized and less hierarchical society where Confucian culture is not dominant and where creation of a vibrant civil society is possible. This book will be invaluable for students and scholars of Japanese politics, democracy, civil society, and globalization.

*Civil-Military Entanglements* Birgitte Refslund Sørensen, Eyal Ben-Ari, 2019-07-16

Military-civilian encounters are multiple and diverse in our times. Contributors to this volume demonstrate how military and civilian domains are constituted through entanglements, undermining the classic civil-military binary and manifest themselves in unexpected places and manners. Moreover, the essays trace out the ripples, reverberations,

and resonations of civil military entanglements in areas not usually associated with such ties but which are nevertheless real and significant for an understanding of the roles war violence and the military play in shaping contemporary societies and the everyday life of its citizens

Local Political Participation in Japan Dani Daigle Kida, 2018-08-06 How Do Japanese Citizens Participate Politically Most Japanese citizens perhaps with a bit of a chuckle would answer that average Japanese do not participate in politics While political attitudes in other countries have fluctuated corresponding to social political and economic climates of the times in Japan a consistently negative view of politics has persisted since the late 1960s Japanese citizens perceive their government much more critically than citizens of neighboring countries While many Japanese citizens participate in specific political acts such as signing candidate support cards attending political rallies or directly contacting politicians they largely do not view these activities as political participation Kida examines why this is the case whether there is a connection between negative views of politics and how Japanese people self identify their political participation how Japanese citizens attempt to exact change or influence policy how the government engages citizens in political participation and the relationship between citizens attitudes towards government and levels of political participation Kida explores political participation on the local level to better understand the sources of political attitudes While participation studies have been conducted in Japan most are centered in large urban areas focusing on either extreme forms of participation such as protests or concentrated on single issue participation such as the environmental or women s movements This book in contrast explores what every day regular in the system political participation looks like in a small traditional Japanese city using Oita a small city in Kyushu as a case study It focuses especially on the role local institutions and politicians play in influencing the kinds of participation available and subsequently the attitudes created about participation

*Strategic Economy In Japan* Thomas M Huber, 2019-07-09 This innovative work demystifies the Japanese economy by considering it as a strategic system Showing how the Japanese miracle is actively planned directed and implemented by a constellation of institutions government policymakers and big business Huber argues that Japan Inc can best be compared to a modern military system rather than exclusively to a free market economy The author highlights particularly the similarity between Japan s strategic economy and some of the structures and policy dynamics of the U S military and shows how Japans economic strategies have the capability of adversely affecting its trading partners

Research Handbook on Education and Democracy Jan Germen Janmaat, Anne Bert Dijkstra, 2025-05-14 This timely Research Handbook examines how the many facets of education can foster democratic competences It reviews state of the art research and identifies a number of under explored issues in the field highlighting the potential of educational reforms in improving democratic engagement across a wealth of demographics This title contains one or more Open Access chapters

**Research Handbook on the Law and Politics of Migration** Catherine Dauvergne, 2021-04-30 As the law and politics of migration become increasingly intertwined this thought provoking Research Handbook addresses the challenge of analysing their growing relationship

Discussing the evolving theoretical approaches to migration it explores the growing attention given to the legal frameworks for migration and the expansion of regulation as migration moves to the centre of the political global agenda The Research Handbook demonstrates that the overlap between law and politics puts the rule of law at risk in matters of migration

*EU-Japan Relations and the Crisis of Multilateralism* Julie Gilson, 2019-12-06 Presenting the history of relations between the European Union and Japan this book explains the origins and significance of the momentous 2018 Economic Partnership Agreement and its parallel Strategic Partnership Agreement Set within the historical context of the 1991 Hague Declaration and Action Plan of 2001 this book analyses the impact of recent background changes to the liberal trading order the proliferation of free trade agreements and uncertainty about role of the United States in the world on relations between Japan and the EU Adopting a path dependent approach it illustrates how these agreements were reached as a result of growing patterns of cooperative behaviour between the EU and Japan and the imprint of shared past experiences in areas from trade to security In so doing this book also raises important questions about the future of multilateral cooperation exploring the potential for bilateral agreements to undermine the possibility of finding international solutions to increasingly international problems *EU Japan Relations and the Crisis of Multilateralism* will appeal to students and scholars of European and Japanese politics and international relations as well as policymakers internationally with an interest in these significant agreements

*Changing Welfare States* Anton Hemerijck, 2013 *Changing Welfare States* is a major new examination of the wave of social reform that has swept across Europe over the past two decades In a comparative fashion it analyses reform trajectories and political destinations in an era of rapid socioeconomic restructuring including the critical impact of the global financial crisis on welfare state futures The book argues that the overall scope of social reform across the member states of the European Union varies widely In some cases welfare state change has been accompanied by deep social conflicts while in other instances unpopular social reforms received broad consent from opposition parties trade unions and employer organizations The analysis reveals trajectories of welfare reform in many countries that are more proactive and reconstructive than is often argued in academic research and the media Alongside retrenchments there have been deliberate attempts often given impetus by intensified European economic integration to rebuild social programs and institutions and thereby accommodate welfare policy repertoires to the new economic and social realities of the 21st century Welfare state change is work in progress leading to patchwork mixes of old and new policies and institutions on the lookout perhaps for greater coherence Unsurprisingly that search process remains incomplete resulting from the institutionally bounded and contingent adaptation to the challenges of economic globalization fiscal austerity family and gender change adverse demography and changing political cleavages

**Political Discussion in Modern Democracies** Michael R. Wolf, Laura Morales, Ken'ichi Ikeda, 2010-06-10 This book provides an overview of and new contributions to the study of political discussion in comparative politics It examines deliberation and discussion as the object of analysis and the consequences of

political discussion and deliberation      **Currency Wars with China and Japan in Western Newsmagazines** Damien Ng, 2022-02-27 This book explores China's currency wars with its trading partners in four Western newsmagazines: Time, The Economist, L'Express, and Der Spiegel. Based on both quantitative and qualitative approaches, the interdisciplinary approach adopted in the research draws on two analytical frameworks from the realm of critical discourse analysis: van Leeuwen's socio-semantic inventory of social actor representation and van Dijk's concepts of macro rules as the overarching approaches to understand the changing dynamics of international relations and the global economy through Western media. The sample in this study consists of 160 texts, half of which are focused on China and the other half on Japan, across a period of 12 months in 2010 (China) and in 1987 (Japan). Through the comparison of Western representation between China and Japan, the similarities and differences in their coverage have been revealed, as even more striking with regards to global politics and the international economy. The findings obtained from the empirical research have revealed that China was not only reported more unfavourably than Japan in terms of depth but also across a broader range of areas spanning economics, politics, and military affairs. It has also emerged that all the four Western newsmagazines tended to centre their coverage on the US and China in 2010 and the US and Japan in 1987, although they did not speak in one collective voice with regard to their coverage of China and Japan.

Bureaucracy, Collegiality and Social Change Emmanuel Lazega, 2020-04-24 This insightful book theorizes the contrast between two logics of organization: bureaucracy and collegiality. Based on this theory and employing a new methodology to transform our sociological understanding, Emmanuel Lazega sheds light on complex organizational phenomena that impact markets, political economy, and social stratification.

Right here, we have countless books **Japan S Multilayered Democracy New Studies In Modern Japan** and collections to check out. We additionally meet the expense of variant types and moreover type of the books to browse. The tolerable book, fiction, history, novel, scientific research, as with ease as various other sorts of books are readily welcoming here.

As this Japan S Multilayered Democracy New Studies In Modern Japan, it ends up creature one of the favored books Japan S Multilayered Democracy New Studies In Modern Japan collections that we have. This is why you remain in the best website to look the incredible ebook to have.

## Japan S Multilayered Democracy New Studies In Modern Japan Introduction

In the digital age, access to information has become easier than ever before. The ability to download Japan S Multilayered Democracy New Studies In Modern Japan has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Japan S Multilayered Democracy New Studies In Modern Japan has opened up a world of possibilities. Downloading Japan S Multilayered Democracy New Studies In Modern Japan provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Japan S Multilayered Democracy New Studies In Modern Japan has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Japan S Multilayered Democracy New Studies In Modern Japan. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Japan S Multilayered Democracy New Studies In Modern Japan. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Japan S Multilayered Democracy New Studies In Modern Japan, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of

the websites they are downloading from. In conclusion, the ability to download Japan S Multilayered Democracy New Studies In Modern Japan has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### **FAQs About Japan S Multilayered Democracy New Studies In Modern Japan Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Japan S Multilayered Democracy New Studies In Modern Japan is one of the best book in our library for free trial. We provide copy of Japan S Multilayered Democracy New Studies In Modern Japan in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Japan S Multilayered Democracy New Studies In Modern Japan. Where to download Japan S Multilayered Democracy New Studies In Modern Japan online for free? Are you looking for Japan S Multilayered Democracy New Studies In Modern Japan PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Japan S Multilayered Democracy New Studies In Modern Japan. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Japan S Multilayered Democracy New Studies In Modern Japan are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides

make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Japan S Multilayered Democracy New Studies In Modern Japan. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Japan S Multilayered Democracy New Studies In Modern Japan To get started finding Japan S Multilayered Democracy New Studies In Modern Japan, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Japan S Multilayered Democracy New Studies In Modern Japan So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Japan S Multilayered Democracy New Studies In Modern Japan. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Japan S Multilayered Democracy New Studies In Modern Japan, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Japan S Multilayered Democracy New Studies In Modern Japan is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Japan S Multilayered Democracy New Studies In Modern Japan is universally compatible with any devices to read.
