Jazz Essential Listening Deveau:

Jazz Scott Knowles DeVeaux, Gary Giddins, 2019 *Jazz* Scott Knowles DeVeaux, Gary Giddins, 2015 All That Jazz Total Access to the music and the players The Norton Jazz Recordings Scott Deveau, Gary Giddins, 2011-05-06 The DVD ROM of concise recordings contains the same repertoire as the CD set but includes Interactive Listening Guides iLGs which synchronize audio and author commentary The iLGs also features listening quizzes that challenge students to identify the instruments performers and structure of each piece Gordon Stretton, Black British Transoceanic Jazz Pioneer Michael Brocken, Jeff Daniels, 2018-09-15 This extensively researched text concerning the life and career of Liverpool born Black jazz musician Gordon Stretton not only contributes to the important debate concerning the transoceanic pathways of jazz during the 20th century but also suggests to the jazz fan and scholar alike that such pathways reaching as they also did across the Atlantic from Europe are actually part of a largely ignored therefore partially hidden history of 20th century jazz performance industry and influence The work also exists to contribute to a more complete picture of the significance of diaspora studies across the spectrum of popular music performance and to award to those Liverpool musicians who were not contributors to the city's musical visage post rock n roll a place in popular music history Gordon Stretton was a jazz pioneer in several senses he emerged from a poverty stricken racially marginalized upbringing in Liverpool to develop a popular music career emblematic of Black diasporan experience He was a child dancer and singer in the Lancashire Lads the troupe which was also part of a young Charlie Chaplin's development a well respected solo touring artist in the UK as The Natural Artistic Coon a chorister and musical director with the Jamaican Choral Union and having encountered syncopated music a jazz percussionist multi instrumentalist and vocalist not to mention a ground breaking bandleader All of these musical experiences took place through time on his own terms as he learnt his craft on the hoof via many different encounters with musical genres from Liverpool to London Paris Brussels Rio and Buenos Aires Gordon Stretton was truly a transoceanic jazz pioneer **Dissonant Voices** Joseph Pizza, 2023-09-28 *Dissonant Voices Race Jazz and Innovative Poetics in Midcentury America* explores the braiding together of racial politics popular music and avant garde poetics in post war American culture Ranging from roughly the late 1940s to the early 1970s this study examines the development of open field poetics alternately termed projective verse after Charles Olson's influential essay of the same name In doing so it traces projective verse from its creation amidst the crucible of racial integration at Black Mountain College to its development through a series of interracial friendships explored among writers involved in the Boston San Francisco and downtown New York scenes to its reimagining by African American poets working in Harlem Los Angeles and beyond as part of the Black Arts Movement Because the histories of integration jazz and postwar poetics have been studied too often as the subjects of disparate narratives and separate disciplines this arc of their shared development has also been largely obscured To remedy this the present study takes an interdisciplinary approach with insights from contemporary histories performance studies sound studies critical

race theory and literary criticism informing the mix of literary analysis musicology and historical detail that comprises each chapter Accordingly the book argues for an integrated approach to the New American Poetry and the Black Arts Movement one that situates the midcentury poetics of breath and performance in the context of the Civil Rights era politics and jazz music that informed it Moreover it also unearths significant and little understood connections between Black Mountain the Beats the Boston Renaissance the New York scene and the Black Arts Movement expanding thereby our understandings of each and in a more general sense of contemporary American poetry politics and music in the process

How to Achieve Great Jazz Phrasing Davy Mooney, 2025-07-18 The topic of jazz phrasing is difficult to teach Jazz musicians spend years transcribing solos learning repertoire practicing technique and acquiring vocabulary but even advanced players can struggle with the organization of these raw materials in their improvisations In this book jazz guitarist and educator Davy Mooney describes the method he devised to help intermediate to advanced players improve their phrasing He presents a series of jazz solos based on the styles of players such as Dexter Gordon Miles Davis Bud Powell and Joe Pass converts them to rhythmic notation and demonstrates how one can improvise on the phrase structure of these solos using one's own notes In other words you play where the soloist played and rest where they rested The book contains audio examples of Mooney demonstrating the method and his solos are transcribed and analyzed with left hand fingerings included There are backing tracks so that the reader can use this practical method to achieve great jazz phrasing Includes access to online audio and video

Sun Ra's Chicago William Sites, 2021-01-11 Sites provides crucial context on how Chicago's Afrocentrist philosophy religion and jazz scenes helped turn Blount into Sun Ra Chicago Reader Sun Ra 1914-93 was one of the most wildly prolific and unfailingly eccentric figures in the history of music Renowned for extravagant performances in which his Arkestra appeared in neo Egyptian garb the keyboardist and bandleader also espoused an interstellar cosmology that claimed the planet Saturn as his true home In Sun Ra's Chicago William Sites brings this visionary musician back to earth specifically to the city's South Side where from 1946 to 1961 he lived and relaunched his career The postwar South Side was a hotbed of unorthodox religious and cultural activism Afrocentric philosophies flourished storefront prophets sold dream book bibles and Elijah Muhammad was building the Nation of Islam It was also an unruly musical crossroads where the man then known as Sonny Blount drew from an array of intellectual and musical sources from radical nationalism revisionist Christianity and science fiction to jazz blues Latin dance music and pop exotica to construct a philosophy and performance style that imagined a new identity and future for African Americans Sun Ra's Chicago shows that late twentieth century Afrofuturism emerged from a deep utopian engagement with the city and that by excavating the postwar black experience of Sun Ra's South Side milieu we can come to see the possibilities of urban life in new ways Four stars Sites makes the engaging argument that the idiosyncratic jazz legend's penchant for interplanetary journeys and African American utopia was in fact inspired by urban life right on Earth Spectrum Culture
