

How to Play Jazz Guitar Chords

Shell Chords: The first set of chords you learn in this lesson are shell chords, built with the root, 3rd, and 7th of each chord with a few exceptions, such as 6 chords.

These three notes tell you the root of the chord, whether it's major or minor, and if it's a maj7, m7, 7, etc. chord.

Approaching the Standards, Vol 2 Willie L. Hill, 2000 There are two groups of standards that help form the basic repertory used in jazz improvisation The first group was created by jazz musicians directly from improvisation experimentation and the analysis of musical forms ideas and practices that were developed through study and the natural gifts of some of the greatest musicians of the twentieth century This group codified jazz into chronological styles and provides concrete examples of its styles and concepts The second group of standards is comprised of compositions written as popular songs during the first half of the twentieth century Every improviser is a composer who makes up melodies spontaneously The model choruses give examples that can be studied learned broken into independent phrases and

used to create other melodies that reflect more clearly what the improviser wants to say musically Preface
