Leap of Faith Cameron Hamilton,Lauren Speed,2021-06-15 The fan favorite couple from Netflix's delicious romp *Love Is Blind* share their engaging and accessible love advice for the modern world the ups and downs they've experienced during their first years of marriage and exclusive behind the scenes anecdotes from the pods When Cameron Hamilton and Lauren Speed locked eyes for the first time they were already engaged They had no idea what to expect having fallen in love across the divider of their pods on the daring Netflix reality show *Love Is Blind* While they never expected to find their other half through this experiment Lauren and Cameron emerged proof of the hypothesis that love is blind Now they'll take us back to the origins of their whirlwind romance to tell their definitive story Through alternating points of view we'll find out what led them to the show in the first place how scary it was to bare their souls to faceless strangers on television and how things shifted for better and for worse once the cameras were suddenly off and the rings were on Lauren and Cameron's journey together is a modern love story like no other and their adventure is just beginning Leap of Faith Sharon

is happening to her it s also happening to your high school friend your neighbor s granddaughter your boyfriend s sister your oldest daughter your best friend your college colleague and perhaps even you In fact Nora is so ordinary that you will surely recognize her while you wait in line for two hours only for the kind person behind the counter to tell you are missing another piece of paper Or when you are about to go out on a date with your boyfriend and you are panicking about it for half a day prior Or when your mom visits you with a car full of food even though you told her you only needed one jam jar for pancakes Or when after graduating from college you are unable to provide the basic livelihood for yourself because you are forced to do vocational training without employment Vocational training is a program that could have worked and could have brought a lot of positives but according to the experiences of young people something seriously went wrong Nora is going exactly through that Although she lives on a relation between Kutina and Osijek this is a story of entire Croatia A story that will sadden you with the hardships of life make you laugh with a particular type of humor and make you angry with the situations no one can influence all of which is necessary to put things into motion What do you do when a leap of faith is just not enough
