[Guides](#)

13min read+32min video

Tekla Structures is one of the most capable and advanced BIM software in its field, but the downside to this is that it takes a little longer to learn as it has more tools, settings, possibilities, and opportunities for customization.

But don't worry – you're not alone!

In this article, I will provide you an overview of different methods with pros and cons on how you can start learning Tekla Structures right away. No jargon, no confusing tech talk—just a straightforward roadmap with all the links to help you get started.
