In God's Image Readings in this unit focus on the human condition. They remind us of the chasm sin imposes between us and our Creator. They guide us toward penitence that asks God to bridge the breach caused by sin. They recall for us how Jesus provides entry into the kingdom of God and challenge us to consider what the redeemed life looks like. Worship Readings in this unit challenge us to think about objects of worship with objects meaning not worship aids such as candles and paraments but those things we place ahead of God. They remind us of the place of God in our worship and the related instruction to love God with all that we are and to make that an essential part of our daily lives. They offer us the opportunity to think about why we may deliberately choose to worship that which is not God. They stress that nothing we worship other than God can impart life and they invite us to understand that the worship impulse is only satisfied when it is directed toward God. The Holy Spirit's work in empowering us to be the church and carry out its mission is not limited to time and space. The lessons in Unit 2 take us through a series of events in the context of Jewish and Gentile hostility in which we see how the Holy Spirit moved the church forward to serve others. The final four lessons in this quarter explore a problem that has plagued humankind throughout the ages: violence. How do we as the people of God confront and overcome this menace to the faith?
