Understanding Language Use in the Classroom Susan J. Behrens, 2018-04-17 It is clear that a proper understanding of what academic English is and how to use it is crucial for success in college and yet students face multiple obstacles in acquiring this new code not least that their professors often cannot agree among themselves on a definition and a set of rules Understanding Language Use in the Classroom aims to bring the latest findings in linguistics research on academic English to educators from a range of disciplines and to help them help their students learn and achieve In this expanded edition of the original text college educators will find PowerPoint presentations and instructor materials to enhance the topics covered in the text Using these additional resources in the classroom will help educators to engage their students with this crucial but frequently neglected area of their college education and to inform students about the unexamined linguistic assumptions we all hold and that hold us back You can find additional materials on the Resources tab of our website

High Literacy in Secondary English Language Arts Marc Nachowitz, Kristen C. Wilcox, 2018-11-07 This volume culls scholarship on both what high literacy is and how it is developed It embraces the call put forth by Langer and Applebee 2016 that high literacy must continue to be our aim and to see more research analyzing and identifying how teachers might promote literacy practices that promote deep thinking around important content The editors offer a conceptual framework for high literacy that explicates how each component i e reading writing dialogic engagement and epistemic cognition in literary reasoning relates to the others and from what scholarly literature these concepts have been derived Individual chapter authors provide in depth examinations of the existing research base on particular related topics focusing on the two important cross cutting aims of the volume 1 explicating the roles reading writing dialogic engagement and epistemic cognition hold in high literacy development and 2 providing examples of practices recommended to develop high literacy
