purpose the slices will keep distracting you from God's plan for your life. Let no attraction, either the attractions of money, fame, or power, distract you from pursuing your purpose in life. The attractions that cannot distract you at the early stage of your struggles in discovering your purpose in life will serve you at its later stage. Trying to do like everybody else might not be your purpose. Trying to do what people like may not be your purpose. Trying to do as you are told may not be your purpose. Trying to impress the people around you may not be your purpose. Discovering your purpose in life will give you a picture of where your tomorrow will be. It will give you the right mentality to achieving a breakthrough in life. Because whenever the journey of your struggles starts to bog down, you cannot breakthrough with the wrong mentality that sees you from a picture of where you found yourself. You can only go forward with a right mentality of the picture of where your tomorrow will be. And when tomorrow comes and you see yourself in great victory, you will then realise that what is needed is not to thank God for answered prayers but to apologise to Him for the times we go about in behaviours that shows He was not faithful to us. A feeling in actions and activities that shows He might not really have cared about our situation. I came to the point that I planned to stop the show for the day. My dear listeners, always have a positive attitude to whatever you are going through in life and keep to the path and action that will carry you to your victory in life. You can't get an answer by following a formula half way. You can't get an answer by following a formula the wrong way. The formula ensures that we do away with anything that is stopping us from achieving our victory in life. Most times it is the presence of some little things that is denying the coming of some wonderful things in our lives. HE CHANGES PEOPLE'S LIVES THROUGH HIS MOTIVATIONAL
