The Proud Oak

Once upon a time, in a beautiful forest, there stood a large, old oak tree. He was very proud of his size and strength. He looked down on all the other trees and said, "I am the king of the forest. No one can match me."

One day, a gentle reed grew up near the oak. The reed was very small and thin, but he was very smart. He said to the oak, "You are very strong, but you are also very proud. One day, a storm will come and you will be broken. I, on the other hand, will survive because I am flexible."

The oak laughed and said, "You are just a small reed. You will be broken first. I will stand firm and strong. I will not be moved by any storm."

One day, a very strong wind came. The oak tried to stand firm, but he was so proud that he did not bend. He was broken in half. The reed, on the other hand, bent with the wind and survived.
