

Documentation of Face to Face Encounter

Patient Name:

Jane Doe

ABHS PID:

00234

Date of Birth:

06/11/43

I certify that this patient is under my care and that I, or a nurse practitioner or physician's assistant working with me, had a face-to-face encounter that meets the physician face-to-face encounter requirements with this patient on: 03 09 2011

(Month)

(Day)

(Year)

The encounter with the patient was in whole, or in part, for the following medical condition, which is the primary reason for home health care *(for medical condition)*:

Exacerbation of CHF

I certify that, based on my findings, the following services are medically necessary home health services *(Check all that apply)*:

☒ Nursing

☒ Physical therapy

☐ Speech language pathology

My clinical findings support the need for the above services because: Patient admitted to hospital with exacerbation of CHF. EF 35% requiring O2, diuresis and medication adjustment. Will require additional medication management and monitoring and therapy for gait training.

Further, I certify that my clinical findings support that this patient is homebound (i.e. absences from home require considerable and taxing effort and are for medical reasons or religious services or infrequently or of short duration when for other reasons) because: Patient is SOB with distances greater than 20 feet, requires O2 and assistive device for ambulation. Stage IV CHF.

Physician Signature Dr. Donat

Date of Signature 3/9/2011

Physician Printed Name Dr. Donat

Advocate Home Health Services

Face To Encounter Documentation

Karin Nielsen-Saines
